

# The International College of Angiology

65<sup>th</sup> ANNUAL WORLD CONGRESS | SEPTEMBER 22-28, 2024  
The Ritz-Carlton Maui  
Kapalua, Maui

## SPONSORSHIP SUPPORT OPPORTUNITIES

To meet the needs of this multidisciplinary specialty society, the Program Committee for the ICA's 65<sup>th</sup> Annual World Congress – ICA 2024 has developed scientific programming to bring together basic and clinical scientists to share current knowledge and techniques in angiology to update the pathophysiology of disease, clinical diagnostic methods, and treatment for improved healthcare delivery and future research.

The ICA Annual World Congress relies upon the generous support from industry in the form of sponsorships and unrestricted educational grants to provide an in-depth review of the spectrum of topics related to the management and new modalities, including diagnosis, assessment, intervention and risk factors and surgery to patients with cardiovascular and vascular disease. Special emphasis will be placed upon evolving trends, therapies, and minimally invasive treatment of cardiovascular disease. The congress will feature internationally renowned faculty, and recognized leaders will discuss state-of-the-art techniques in the management, diagnosis and treatment of vascular disease. The focus will be on surgical, percutaneous and medical management from peripheral vascular disease to coronary and cerebrovascular disease and abdominal aortic aneurysms offering a comprehensive review of what is new in management, techniques, approaches and prevention.

This program will provide a forum for the synthesis of **State-of-the-Art** information that encompasses the pathophysiology, clinical diagnosis, and treatment of cardiovascular diseases as they are encountered by primary care physicians, vascular, general, thoracic, cardiothoracic, and cardiovascular surgeons, neurosurgeons, cardiologists, internists, and cardiology and vascular interventional radiologists.

The 65<sup>th</sup> Annual World Congress-ICA 2024 is designed to meet the specific educational needs of medical professionals involved with the management and treatment of cardiovascular diseases as they are encountered by primary care physicians, vascular, general, thoracic, and cardiovascular surgeons, cardiologists, interventional radiologists, neuroradiologists, fellows and residents of the above specialties, vascular biologists, their staff and nurses.

**Thank you for your support!**

### PLATINUM LEVEL

\$150,000

- Ten (10) Corporate Registrations
- Eight (8) Tickets to the ICA's Luau Dinner and Sunset Cocktail Reception
- Four (4) Tickets to the ICA's daily Breakfast Sessions (Monday – Friday)
- Two (2) Congress Bag inserts
- Recognition on slides projected during introductory remarks and session breaks.

### GOLD LEVEL

\$100,000

- Eight (8) Corporate Registrations
- Six (6) Tickets to the ICA's Luau and Sunset Cocktail Reception
- Four (4) Tickets to the ICA's daily Breakfast Sessions (Monday – Friday)
- Two (2) Congress Bag inserts
- Recognition on slides projected during introductory remarks and sessions breaks.

### SILVER LEVEL

\$75,000

- Four (4) Corporate Registrations
- Two (2) Tickets to the ICA's Luau and Sunset Cocktail Reception
- Two (2) Tickets to the ICA's daily Breakfast Sessions (Monday – Friday)
- One (1) Congress Bag Insert
- Recognition on slides projected during introductory remarks and sessions breaks.

### BRONZE LEVEL

\$50,000

- Three (3) Corporate Registrations
- One (1) Ticket for the ICA's Luau and Sunset Cocktail Reception
- One (1) Ticket to the ICA's daily Breakfast Sessions (Monday – Friday)
- One (1) Congress Bag Insert
- Recognition on slides projected during introductory remarks and sessions breaks.
