

# Crafter to Crafter Sale

- Sale will run between 9:00 am until 2:00 pm, Saturday, March 25, 2017; Set up hours will be between 5:00 pm - 7:00 pm, Friday, March 25, 2017 and 7:00 am - 9:00 am the day of the sale.
- Tables are provided but due the nature of our layout, chairs will not available in main sale area. We have built in counters that do have space below as well as cubbies above that you are welcome to use to display your items. Division lines will be clearly marked to outline spaces and items must remain inside your area. Counter spaces are roughly 6-7 foot by 30 inches. Two spaces include a 6 foot table and a rack for hanging flat folds of fabric. Racks will be provided, however you will need your own hangers.
- Sellers are responsible for bringing their own change, bags for customers as well as for the security of their items on their tables. Correen's Creative Designs will not be responsible for items stolen or damaged while in our building.
- Tables are assigned in a first come first serve basis according to category. If tables book up, your fee will be refunded after the sale. Should another seller have to cancel, you may be called last minute to fill the table in which case, that seller would be refunded and your fee would be applied to that table. In the event of a cancellation, the fee is only refunded if the table is resold to another seller.
- Parking spaces in front of the building are available for loading and unloading but during the sale, cars will need to be moved to the public lot adjacent Polly Market by the old Fire Hall.
- The more we work together to get the public notified of our sale, the more successful our sale will be. If you wish to help spread the word, flyers can be mailed to distribute and graphic files can be shared on social media and email.
- A FREE TO A GOOD CRAFTER area will be set up in the back of the studio for those items that you hate to throw out but do not think it is worth much.
- Event Contact is Correen Borst-Straub, phone 810-923-5370 or email correenscdesigns@charter.net

**You may mail or drop off the registration form and payment**

**Studio hours are Monday through Friday from 9am - 5pm**
