

“We Care Program”

Being homeless, stranded or down and out is not a choice that individuals wake up and make. Today we want to let you know that there is someone who cares. We are trying to do our part through our “We Care” Program. The small gift we pass out hopefully can help nourish the body, mind and soul. The Bible tell us that *“I can do all things through Christ who strengthens me”* Philippians 4:13. At BBV2M LLC., we practice that and believe it. We are hopeful that our gift brightens the day and gives encouragement to those in

writings and timely in our consulting and merchandising.. Helping others is the cornerstone of success for us and the biblical foundation of our faith.

What Happens When People Lose Hope?

One of the most basic instincts of all people is to have hope in something. It could be hope in someone or something, Hope in God or some other higher power. Hope in our Government or an organization. Whatever that hope is in, it allows for people to have a certain sense of pride and dignity that tomorrow will be a better day even if they may not know how it will be a better day. Hope can be defined as a feeling of expectation and desire for a certain thing to happen. The Christian definition of hope is that solid reassurance that God makes a way when there is no way . No matter which definition that you use, suppose that that belief in the meaning did not exist for you. Your world now becomes bleak. Each day millions of people who

are homeless, down and out and stranded feel they are facing a hopeless situation every day in their lives. Each day hundreds and sometimes thousands of people walk by them as if they do not exist.. Who are these individuals? They are individuals just like you and me who

have had a setback in life and just need a helping hand to reassure them that there is still hope in their lives..

How Can I Help?

James says it best “If a brother or sister is poorly clothed or lacks daily food, and one of you say to them , “Go in peace, keep warm and eat well,” but does not give them what the body needs, what good is it? (James 2:15-16) Those of us who have been given the ability to practice our faith through our works should do so.
