

International Association of Environmental, Health & Safety Professionals

This form may be used to apply for any IASHEP credential Except the Certified Environmental, Health and Safety Professional (CEHSP)

Use this form to register or challenge any of the IASHEP professional certifications. Please fill out the application completely and include your payment information. You may refer to our Privacy Policy and Credit Card Payment Policy posted at www.iashep.org.

All information provided on this application is subject to audit by IASHEP. Knowingly providing fraudulent information will result in the revocation of the IASHEP professional credential and lifetime prohibition from attaining any certifications from the International Association of Environmental, Health & Safety Professionals (IASHEP).

Challenging An IASHEP Certified Course

The International Association of Environmental, Health and Safety Professionals (IASHEP) believes that if you have taken a similar course somewhere that is equal to the IASHEP course topics and you have taken that course within the last three years but you did not get a professional certificate or professional credential or you have life learning skills in the safety, health or environmental field, you can challenge the IASHEP professional credentialed course. You must petition IASHEP to challenge the course by filling out this course challenge document and pay your fees.

PREREQUISITES:

Applications require a non-refundable \$175 application fee, an uploaded copy of your official college transcript or diploma and two electronic reference evaluations. The Applications to take IASHEP examinations expire 12 months from the date your application is approved. You must complete the examination within that time, or you will have to start over as a new candidate, and meet whatever requirements are in effect at that time.

- To Challenge an IASHEP course you must have taken a similar course and equal number of class hours that is equal to the IASHEP course topics and course length and you have taken that course within the last **THREE** years.

The course must be from a recognized educational provider such as but not limited to (OSHA Training Institute Education Center (OTIEC), NEBOSH, World Safety Organization (WSO), Institute of Occupational Safety & Health (IOSH) and other recognized professional organizations such as but not limited to:

- Certified Industrial Hygienist® (CIH®)
- Member of the Institution of Occupational Safety and Health (CMIOSH)*
- Canadian Registered Safety Professional (CRSP)*
- Board of Certified Safety Professionals (BCSP)
- Institute of Hazardous Materials Management (IHMM)
- International Board For Certification of Safety Managers (CHCM)
- CP-12 Professional Certificate in Safety and Occupational Health, U.S. Army Combat Readiness Center (ACRC)
- Certified Safety Engineer (CSE), as administered by the State Administration of Work Safety (SAWS),
- People's Republic of China (PRC)*
- Master in Occupational Safety and Health, International Training Centre of the International Labour Organization (ITC-ILO)*
- Member in the Institute of Safety Professionals of Nigeria (MISPN)*
- NEBOSH National or International Diploma in Occupational Health and Safety*
- Professional Member of the Singapore Institution of Safety Officers (SISO)*
- Safety Organization Of the Philipines
- Diploma/Certificate in Industrial Safety Health or Environmental, as issued by the State Government Departments/Boards of Technical Education, Government of India*either a university, community college, military school, union apprentice school, professional organization, online training or on the job training. IASHEP will accept their course completion certificates from these organizations.

Note: IASHEP will not accept the International Association of Safety Professionals (IASP) or National Association of Safety Professionals (NASP) credentials from that organization.

COLLEGE TRANSCRIPT REQUIREMENTS

A copy of your official transcript or diploma must be uploaded to your application before it can be submitted. To find out whether a college in the U.S. is accredited, check with the Council for Higher Education Accreditation ([CHEA](#)).

Degrees acquired through foreign colleges or universities are acceptable if they are documented as equivalent to an BS/BA degree issued in the United States. Candidates with degrees from colleges and universities outside the U.S. must upload a copy of their statement of equivalency from a recognized evaluating agency. If the applicant holds an additional degree in a relevant field from an accredited U.S. college or university, only the U.S. college transcript needs to be uploaded, and a degree equivalency report will not be required.

CERTIFICATION COURSE CHALLENGE FEES:

The fees for course challenging is \$350.00 for an Advanced Certified Level or Train the Trainer course, \$250.00 for an IASHEP Certified Specialist course and \$150.00 for an IASHEP Certified Technician level course. **The IASHEP Certified Environmental, Health & Safety Professional (CESHP) credential cannot be challenged.** IASHEP membership will not receive the normal 10% discount for course challenging opportunities.

Testing:

To obtain your professional credential by course challenging or for having life learning skills, **you must take a proctored and timed open book examination** and you must pass the written test with an 80% or better to receive your professional credential. You have three chances to pass the examination. Should you fail to pass the course challenge test, you must then take the classroom version of the course. Failure to pass the IASHEP professional proctored examination will result in your fees being non-refunded. **There is an additional fee of \$150.00 for each additional certification test retake.**

University, College, On The Job and Life Learning Experience

Experience Documentation Form:

Note: This form may be used to document work experience, education, course development etc. and waiver for education requirements (experience in lieu of education)

Please explain environmental, health and safety work experience, EHS courses and / or a college degree earned through either a university, community college, military school, union apprentice school, professional organization, online training or on the job training.

Candidate will have to furnish proof with a college transcript and / or copy of degree. (additional copies of this section may be needed)

There are several established contexts for lifelong learning beyond traditional "brick and mortar" schooling:

- Home schooling involves learning to learn or the development of informal learning patterns
- Adult education or the acquisition of formal qualifications or work in life
- Continuing education which often describes extension or not-for-credit courses offered by higher education institutions
- Knowledge work which includes professional development and on-the-job training
- Personal learning environments or self-directed learning using a range of sources and tools including online applications
- E-learning is available at most colleges and universities or to individuals learning independently.

Describe your on the job or life learning experiences and total hours of performing this job.

Successfully completing and passing an environmental, health and safety course. This includes an employer's course, online training, seminars, webinars etc.

Please provide personal resume, copies of course certificate of completion, course title, course provider, number of hours to take the course and other pertinent information.

CERTIFICATION OF ACCURACY, AGREEMENT AND RELEASE AUTHORIZATION

By signing this document, I hereby certify that the information provided in and attach to this application is true, accurate, and complete to the best of my knowledge and belief. I understand and agree that IASHEP has the right to contact any person, government agency/entity, or organization to review or confirm any information provided in this application.
