

The greatest exchange ever was made on your behalf. What Jesus did for you carries significance impact and has continual eternal purposes. He paid for it all. Nothing is left that needs to be paid for. He exchanged it all with His life so you wouldn't have to.

Exchange means: an act of giving one thing and receiving another in return.

The first exchange Jesus made on your behalf was eternal life in place of eternal death. Jesus came and exchanged His life for yours. Jesus exchanged payment for debts.

All debts have been paid in full.

On the cross, Jesus was exchanging many things (everything to be exact). He took these things willingly and exchanged them for something much better. The list is endless and the exchanges are endless. There is no end to what He has done. He paid the full price and friends, "it is finished."

Whatever you need Jesus paid for it. It's paid in full.

Jesus exchanged health in place of sickness.
He exchanged peace in place of fear.
He exchanged hope for hopelessness.
He exchanged life for death.
He exchanged joy for sorrow.
He exchanged strength for weakness.
He exchanged encouragement for discouragement.
He exchanged forgiveness in place of sin.

Today He is saying, "I've exchanged it for you. I paid for this so you wouldn't have to."

The list of exchanges goes on, and on, and on, and on, and on, and on, and on....

"He himself bore our sins in His body on the tree, that we might die to sin and live to righteousness" (1 Peter 2:24).

Jesus took our sin upon Himself when He died on the cross. This is the reason that Jesus died. Do you see this? His death was not His own. It was in place of us. His death was ours! It was for us.

He exchanged everything for us. What do you need today? It's already paid for!

Titus 2:14, which says – "[Christ] gave himself for us to redeem us from all lawlessness."

At the cross Jesus died to redeem us from the grim captivity of sin and guilt. Jesus exchanged the shackles for freedom. All that He exchanged determined our destiny, by the shedding of His precious blood.

Jesus died in our place. Everything we need He has already exchanged on our behalf.

Fully paid means fully paid. Once you pay for something, you own it. This means our sins, sickness, protection etc. etc. etc. are ALL fully paid.

Key word here is fully – fully paid!

Your shortcomings. PAID.

Your failings. PAID.

Your sins. PAID.

Your sickness. PAID.

Friends, everything has all been paid by Jesus for you.

It's time to walk in what we already own. After all, He paid for it.
