

Meeting called to order at 1:15 by Bizz and he also led the pledge of allegiance and a moment of silence for our troops. Secretary report read and approved by Connie and Bizz. Treasurer report read and approved by Bizz and Abe. We discussed the H.R. 2 INVEST in America Act, also known as the "Highway Bill". A BIG WIN FOR BIKERS!!! Five major pieces of this Legislation: Profiling, Motorcyclist Advisory Council, Autonomous Vehicles and Motorcyclist Safety Funds. It passed in the House and now the focus turns to the Senate. Also, we made sure everyone was aware of the date changes for the Field Meet (July 17,18, and 19th) and the Freedom Rally (Sept. 29th). This was our first meeting since March. It was really good to see our small group. It seemed like it was longer than 3 months. Thank you, Connie and Terry, for setting up tables and chairs in your yard so we could socially distance and have our meeting!!! Remember if you are interested on attending Terry and Connie's Pig Roast on August 1st call them at 989-343-1644 for more info. We hope everyone is staying healthy!!!!

Thanks Shelia
