If I experience any pain or discomfort during my sessions, I will immediately inform the therapist so that the pressure and/or strokes may be adjusted to my level of comfort. I understand massage bodywork is not a substitute for medical examination, diagnosis or treatment and I agree to keep the therapist updated as to changes in my medical condition and understand the therapist is not liable if I fail to do so (the therapist needs to know this information since certain procedures in massage should not be performed with certain medical conditions). I understand the therapist is not qualified to diagnose, prescribe or treat any physical or mental illness. I understand that massage therapy is not in any way sexual. Illicit or sexually suggestive remarks made to the therapist will result in the termination of your session, and I will be responsible for the full payment of the scheduled appointment.
