Prologue

'By controlling the language, Big Brother controls the way that the People think. With a Limited Vocabulary, the People are limited in how much they can think, as well as, what they think about.' - Orwell's 1984

The purpose of this booklet is to provide the Reader with a comprehensive array of the major Scientific, Medical, Political and some Theological terms concerning the COVID-19 pandemic. Why? The objective is to have a better sense of what the words, terms, and concepts mean. It is to be better educated in understanding such words when coming across either Scientists, Doctors, Virologists, Politicians and even Theologians who use them. Why? To make a more informed decision as to whether to take the new mRNA shots for example.

Realize that the current narrative of what is going on with the COVID-19 pandemic and the new mRNA shots being administered needs to have a balanced approach in terms of a healthy, open and democratic debate. This is not occurring. On one hand, there is the 'Official State Narrative' and of the Facts and Figures posted on such websites of the UN's World Health Organization WHO and the U.S. Centers for Disease Control and Prevention CDC, among others that cannot be either questioned or criticized.

Then on the other hand, there are those dissenting voices of concern that are coming mainly from the same Scientific Community that are challenging the Official Narrative, Facts and Figures. However, this group of Scientists, Virologists, and Doctors are being censored, de-platformed or are afraid to speak out. Why? To this end, the aim of this booklet is to provide the vocabulary so as to follow along, if and when one comes across this 2nd group in an interview, a publication, a debate or presentation.

One realizes that the degree of understanding and comprehending the terms might be limited when it comes to the topic of COVID. For example, many may not realize the complexity of what the COVID-19 shots do or will do or could do. Most are not questioning the narrative. They say, 'Trust the Science'. Or 'Do what the Doctors say'? Is this 'Blind Faith'? Can one explain how one gets Infected, or Transmits a disease? The terms which are very Scientific and Medical, can put-off most Readers or the average person. In some cases, the terminology gives one a flashback to a High School or College Biology course.

Nonetheless, the challenge is to provide a summary of the most common words, terms, ideas and/or thoughts pertaining to the COVID-19 pandemic. One's life may depend on it, especially if one is asking questions or seeking an understanding that goes beyond the Morning and/or Evening News Programming. The following terms, in this 'COVID Dictionary' are defined from the online sites, mainly Merriam-Webster, Wikipedia, and other sources.

The terms are specifically the ones that are used when such Scientists, Doctors Politicians and/or Theologians speak on the matter of the Pandemic and/or the shots. Why is it important? Consider that such Medical, Scientific or Theological terms that reference research or assessments pertaining to COVID are directly affecting you and set then the various Health Policies. The last reason why such a COVID-19 Dictionary is pertinent to the pandemic is that it will help when one is personally engaged in arguments, debates or writings with others.

It can be either with Family Members, work Colleagues or People in public. After reviewing the terms, one would hope that one will be more prepared to present their points of view with a deeper appreciation, understanding and comprehension of what the COVID-19 pandemic is all about and what the mRNA shots are. Are they even a vaccine?

Is it really Gene Therapy as some would purport? Will it change one's DNA then? The terms will educate you and answer those questions very clearly. Thus, one will be hopefully able to follow the discussions and terms when engaged in a conversation, with few and the many, etc. One will hopefully be able to follow along with the Scientific and Medical terminology used by the various Doctors, Scientist, Politicians and Theologians, on both sides of the debate recognizing the arguments for and against the 'Science' and 'Biology' that is being imposed on Humanity presently.

Indeed, the words, terms and concepts of this COVID-19 Dictionary will comprise an array of terms one would find in an introductory University Biology textbook. Buy one will include a Biblical overlay of terms as well. Why involve Theology in with this Science and Medicine? It is because the Science and Medicine will both soon become Theology per the Bible, and specifically pertinent to its last book, Revelation. While there is that 1st and 2nd group of competing Scientific and Medical interpretation about the nature of the pandemic, the Lockdowns, Quarantining, Mask Wearing and restricted travel, there is a 3rd Group.

As mentioned, that is of the Theologians that likewise raise the alarm of the social and moral implications of the pandemic, its Public Health Policy, and the mRNA shots. One believes that this facet is just as important as millions have suffered greatly, psychologically because of the isolations and detachments from family and friends and society in general. Many have sought, are seeking for Divine Guidance, help, solace and answers, especially of one's that have had Loved Ones die because of this pandemic.

The point is that this Theological perspective should be considered as well. To that end, some of the terminology will be Theological to describe and ascribe what is going on presently, especially with the mRNA shots, that to some, are converging with Biblical prophecy, it would appear. But to be clear, this booklet is geared to those that do have or will have a Judeo-Christian disposition of incorporating such Theological terms in the Glossary.

Or are open to the perspective of the pandemic from this point of view in considering some of the Scientific, Medical and Theological terms. The format the Glossary will have, at time portions of the text in highlight, underlined, or in bold. Numbers from 1 to 10 will be numerated and in some cases, capitalization will be ascribed for emphasis purposes only.

It helps Local, State, and Municipal Public Health departments manage Reportable Disease Data and send Notifiable Disease Data back to CDC.

Public Health Emergency

It is a Formal Declaration issued by the World Health Organization of 'An Extraordinary Event' which is determined to constitute a Public Health Risk to other States through the international spread of disease and to potentially require a Coordinated International Response. It is formulated when a situation arises that is, 'Serious, sudden, unusual, or unexpected'. It carries implications for Public Health beyond the affected UN Member State's national border. And gives the legal cover to have government impose mandates and suspend Civil Liberties.

Q

Quarantine

It is a **restriction on the movement of Sick People**, animals and goods which is intended to prevent the spread of disease or pests. It is often used in connection to disease and illness. **However due to the COVID-19 pandemic, it has been redefined and applied to prevent the movement of those who may have been exposed to a communicable disease, yet do not have a confirmed Medical Diagnosis. A person is essentially consider perpetually 'sick' until proven 'not sick' or contagious.**

Quarantine Camps

These are Detention Centers whereby in the USA for example, U.S. Citizens and Residents who are deemed 'High Risk' for COVID-19 to be forcibly removed from their families and homes, and involuntarily isolated in Guarded FEMA Camps. This plan is in place now already for Family Separation and Involuntary Quarantine in 'Camps' drawn-up by the CDC. **The CDC calls these 'Isolation Camps' as part of a 'Shielding Plan.'**

Quantum Computing

It is the use of Quantum Phenomena such as Superposition and Entanglement to perform computation. Computers that perform Quantum Computations are known as Quantum Computers. Quantum Computers are believed to be able to solve certain computational problems, such as Integer Factorization, substantially faster than Classical Computers. And that the computations can and do occur in other dimensions.

Quantum Dot Array Patches

These are Microparticles that contain Quantum Dots, which **store the person's Vaccination History** in a pattern of Dye (Luciferase), and of Hydrogel that is **delivered under the skin at the same time as the vaccine**. The copper-based Quantum Dots emit light in the Near-Infrared (NIR) Spectrum and are about 4 nm in diameter. They are stored in Semiconductor Nanostructures or Nano-Bots. With this technology, **Biometrics can be read of a human body and be connected wirelessly to the Internet of All Things**.

They are to be gathered-up to rendezvous with Jesus in Air/Clouds before being ushered in to Heaven. It is described by some as a 'Rescue Mission' as the event will conclude the Church Age. Adherents of this perspective are referred to as Premillennial Dispensationalists and for the most part, places the event before the start of Daniel's 70th Week of Years that will coincide with the start of the New World Order 'Beast System'.

During the 2020 COVID-19 pandemic, Remdesivir was approved or authorized for Emergency Use to treat COVID-19 in around 50 countries. **Remdesivir is the first drug against COVID-19 to be conditionally approved in Europe and the United States.** Thus technically, so long as there is a viable, approved and alternative to the mRNA shots, governments cannot force mandate the inoculations.

Reset, The Great

By definition, it is to set anew. In terms of Globalism and the COVID pandemic, it is the agenda of the Globalists and Eugenicists, spearheaded by the World Economic Forum to rebuild the Global Economy following the COVID-19 pandemic and because of it. It would encompass a reset in the financial, political and social structure based on the goals of the UN Agenda 2030 and ID 2020, where 'Man merges with Machine', etc.

Reverse Transcriptase

It is an Enzyme used to generate complementary DNA from an RNA template. They are used by certain viruses such as HIV and the Hepatitis B Virus **to replicate their Genomes**, by Retrotransposon Mobile Genetic Elements to proliferate within the Host Genome, and by Eukaryotic Cells to extend the Telomeres at the ends of their Linear Chromosomes. This is how the mRNA shots alters the DNA.

Ribosomes

They are 'Macromolecular Machines', found within all Living Cells, that perform Biological Protein Synthesis. Ribosomes link Amino Acids together in the order specified by the Codons of Messenger RNA Molecules to form Polypeptide Chains. Ribosomes consist of 2 major components: The Small and Large Ribosomal Subunits.

The 8-Fold Path consists of Right View, Right Resolve, Right Speech, Right Conduct, Right Livelihood, Right Effort, Right Mindfulness, and Right Samadhi. However, in an increasing Social Credit Score profile world, especially coming from China, these behaviors are interpreted into Social Credit now.

It is the successor to SARS-CoV-1, the virus that caused the 2002-2004 SARS outbreak. It is the virus that causes Corona Virus Disease 2019, causing the WHO to declare it a pandemic. This gave legal clout for UN Member States to issue Emergency Powers to force lockdown the entire world, mandate Masks and Social Distance, etc.

Satellite Laser Beam Technologies

These are weapons used in Space Warfare. They include weapons that can attack Space Systems in orbit (i.e. Anti-Satellite Weapons). They can attack targets on the Earth from Space or disable missiles travelling through Space. Their aim is to make the whole world obedience to their view of Science, and a dismissal, di-platforming, censorship and firing of people who disagree with their Science Orthodoxy.

Scientific Revolution

It was a series of events that marked the emergence of Modern Science during the Early Modern Period, when developments in Mathematics, Physics, Astronomy, Biology and Chemistry transformed the views of society about nature. It replaced the Greek View that had dominated science for almost 2,000 years and incorporated elements of Creation, Philosophy and Religion. Many attribute it to the Enlightenment that brought the shift to have Scientists described the Universe and the place of the Earth within it.

Seasonal Influenza

Otherwise referred to as the Flu Season is an annually recurring time period characterized by the prevalence of an outbreak of Influenza or the 'Common Cold'. The season occurs during the cold half of the year in each Hemisphere. Influenza Activity can sometimes be predicted and even tracked geographically.

Sex, Type

Of either of the 2 major forms of persons that occur that are distinguished respectively as Female, Woman or Male, Man. It is predicated on the basis of their Genetic Reproductive Organs. Sex is determined by one's Anatomy, the makeup of the Sex Chromosomes, etc. Sexual Reproduction involves the combining and mixing of the Genetic Traits between a Man and a Woman.

Shedding

To be disconnected or fall off by a natural process: the act or process of getting rid of something not needed or wanted. Pertaining to diseases and/or viruses, Viral Shedding occurs when a virus replicates inside the body and is released into the Environment. At that point, it may be contagious. For the Corona Virus that causes COVID-19, it is not known exactly when this occurs after someone is infected.

Side Effects

It is usually regarded as an Undesirable Secondary Effect which occurs in addition to the Desired Therapeutic Effect of a Drug or Medication. Side Effects may vary for each individual depending on the person's disease state, age, weight, gender, ethnicity and general health.

Sin Nature

It is that part of Human Beings or the Human Condition that instinctively leads one to commit sin. The Bible teaches that not only do humans commit sin, but it is in the very genetic code or nature to do so. The sin nature is that aspect in man that makes him rebellious against God. It is based on a Judeo-Christian Biblical worldview that given the choice to do God's will or one's own, humans will naturally choose to do their own thing. The consequence of the disobedience of the 1st humans was/is Physical Death. And how the Last Adam, Jesus came to redeem Humanity from it. There is with that redemption a promise of a new body.'

Sky-Net

It is a fictional Artificial Neural Network based 'conscious' Group Mind and Artificial General Super Intelligence System that serves as the main Antagonist of the Terminator movie franchise. In the first film, it is stated that Skynet was created by Cyberdyne Systems for SAC-NORAD. In the movie plot, the Sky-Net is downloaded and upon rebooting, takes control of the world. Its aim is to then destroy Humanity with A.I. Coincidentally, Elon Musk though Space-X is initiating Starlink.

And that the Socially Elite Classes possessing wealth and power possess Biological Superiority in the struggle for existence.

Social Distancing

In public health, also called Physical Distancing is a non-proven nor non-Scientific set of Non-Pharmaceutical Interventions or Measures mandated, intended to prevent the spread of a Contagious Disease by maintaining a Physical Distance between People. And to reduce the number of times People come into close contact with each other. **This only came about due to COVID-19 and is assuming every Healthy Person is Asymptomatic and is in need to Self-Quarantining.**

In many religious, philosophical, and mythological traditions, the Soul is the Incorporeal Essence of a Living Being. It is the fusion of the Physical Body with the Breath of Life 'Energy Force' of the Creator. The Soul is the Psyche in Ancient Greek: ψυχή psykhḗ, of ψύχειν psýkhein, which means 'To Breathe', cf. Latin 'Anima'. It comprises the Mental Abilities of a Living Being: reason, character, feeling, consciousness, qualia, memory, perception, thinking, etc.

Spike Proteins

It is a Glycoprotein that protrudes from the envelope of some viruses, as the Corona Virus. It facilitates entry of the Virion into a Host Cell by binding to a Receptor on the surface of a Host Cell followed by Fusion of the Viral and Host Cell Membranes. This is called also S Protein. **In the mRNA shots, this is how the body produces the COVID-19 Spike Protein in an attempt to neutralize the Corona Virus. The problem is that the Immune Response is only 'code' for this type of strain and the Innate Immune System of the body maybe be compromised to mount any future Immune Respond to differing Variants.**

The constellation will consist of thousands of Mass-Produced Small Satellites in Low Earth Orbit, working in combination with Ground Transceivers such as 5G, 6G, 7G. **Many believe this is the System that like in the Terminator movies, will constitute a nefarious control over all of Humanity that will incorporate the coming 'Beast System'.**

Super Soldiers

The concept originally came from a comic book series of having a Soldier fitted with an Exoskeletal Amplification for body armor. In modern times, this concept has developed, due to Science and Genetics into designing and/or Programming Soldiers that are capable of operating beyond normal human limits or abilities. For example, it would be possible to have 'Terminator' type of troops that can be 'bred to kill'. They could have on the battlefield, abilities like Telepathic Interaction. They could be Genetically Modified and given Technological Implants created by Software which could be uploaded directly to the brain to give their soldiers heightened senses, etc.

Survival of the Fittest

It is a phrase that originated from Darwinian Evolutionary Theory. It is a way of describing the mechanism of Natural Selection. The biological concept of fitness is defined as Reproductive Success. It suggests that Organisms best adjusted to their Environment are the most successful in surviving and reproducing. This however has been imposed and applied to Race Theory by the Eugenicists.

Swine Flu, H1N1

It is primarily caused by the H1N1 strain of the Flu (Influenza Virus). H1N1 is a type of Influenza A virus, and H1N1 is one of several Flu Virus Strains that can cause the Seasonal Flu. Symptoms of the H1N1 flu are the same as those of the Seasonal Flu. In the spring of 2009, Scientists recognized a particular strain of H1N1. This virus is a combination of viruses from pigs, birds and humans that causes disease in humans. During the 2009-10 Flu Season, the World Health Organization (WHO) declared the H1N1 Flu to be a pandemic. **Vaccines were imposed on the People, many died or had severe Allergic Reactions and/or were damaged by them. The vaccine program was withdrawn. In August 2010, WHO declared the pandemic over. This was 1 of the rehearsals.**

T

Tal Zaks

He is the Chief Medical Officer for Moderna. Interestingly, his Wikipedia profile was removed not due to censorship but because **the Powers-That-Be do not want the exposure how he is one of the leading Executive Officers overseeing the push to have everyone on the planet 'download' their 'Operating System' through their mRNA shots into the human bodies. He is the one that coined the phrase how their mRNA technology would be able to re-Program the 'Software of Life' in a human being's body like a computer.**

This is essentially the 'Merging of Man with Machine'. It is based on the premise that the Human Species in its current form does not represent the end of the Evolutionary Development but rather a comparatively early phase. The aim is to augment or increase, for example human sensory reception, emotive ability, or cognitive capacity as well as radically improve human health and extend human life spans. In other words, reach Immortality.

Other diseases that are transmitted from person to person without intermediaries include the Sexually Transmitted Diseases, Measles, Mumps, Streptococcal Infection, and many Respiratory Pathogens.

Tuskegee Syphilis Experiment

A Study at Tuskegee was a Clinical Study conducted between 1932 and 1972 by the United States Public Health Service. The purpose of this study was to observe the Natural History of Untreated Syphilis. **The non-consenting subjects were African-American men who were only told they were receiving 'free health care' from the Federal government of the United States.** It is a blatant example of how governments lied and still do and cannot be trusted despite their claim to 'Trust the Scientists and Experts'.

Ubiquitous Sequencing

This is a process that helps determine the order of the 4 Constituent Dases that make up DNA: A, G, C and T, in which the Genetic Code is written. Ubiquitous Sequencing has the potential to transform how to detect and respond to Infectious Diseases.

ABCs of Salvation

The ABC's of Salvation explain the Way of Salvation through Faith in Jesus Christ alone in 3 simple and easy steps to remember and apply.

Jesus Himself Stated

I am the Way, the Truth, and the Life. No one comes to the Father except through Me. – John 14:6.

Jesus came from beyond the Stars, from Heaven as the true Creator, with the true Gospel and as the only true Savior. There is none other, and no other 'Savior' can redeem your Soul, Spirit and Body. Jesus is the one that will return at the end of the Tribulation Period, exactly 1260 days from when the 'False Savior' AntiChrist proclaims that he is the true 'King' and 'God' as he enters the 3rd Temple Holy of Holies and sits on the Ark of the Covenant. It will be at that time that he will mandate the Mark of the Beast. This will change your DNA enough to cease being fully human and thus not redeemable. Do not take his Mark, Name or Number as that will condemn you to Hell.

Admit you have Sinned

For all have sinned and fall short of the Glory of GOD – Romans 3:23

For whoever shall keep the whole law, and yet stumble in one point, he is guilty of all. – James 2:10

As it is written: There is none righteous, no, not one. – Romans 3:10

For the wages of sin is death, but the gift of God is Eternal Life in Christ Jesus our LORD. – Romans 6:23

A person might think they are 'good' and deserve to go to Heaven. Many are trusting in how 'good' they are or what they have done. The truth is that all humans all 'sinners', meaning one can never be 'good enough' to earn their way to Heaven. The Bible clearly teaches that ALL humans have sinned and have broken YHVH's Commandments. Since the Creator, YHVH is a holy and just GOD, sins against a Holy God must be punished.

The Bible teaches that the 'wages or payment for sin is death', that is eternal death and separation from the Living GOD in a place called Hell. However, a loving, merciful GOD does not take pleasure in the death of the wicked nor desires any to parish and go to Hell. YHVH devised a plan to redeem or buy back Humanity.

The first step thus in being 'redeemed' is to acknowledge that one is sinner. However, YHVH had a plan that involved sending Jesus, GOD the Son to pay for the sins of Humanity. Admitting one is a sinner also involves wanting to repent. In the Bible, both John the Baptist and Jesus himself began their preaching with the word, 'Repent'. Jesus stated, 'Repent, for the Kingdom of Heaven' is at hand.' – Matthew 4:17. To repent means 'change one's mind' or to turn and to go in the opposite direction. How can one be led to repentance?

The Bible says that the Holy Spirit is the one that convicts **People of their** sin in John 16:7-8. This act of love by Jesus should lead one to repent genuinely. 'For godly sorrow produces repentance leading to Salvation, not to be regretted; but the sorrow of the world produces death.' – 2 Corinthians 7:10. Thus, the first step toward repentance is to acknowledge that one will always fall short of GOD perfect standard and that Jesus never sinned and became the substitutionary payment for one's sins on the Cross of Calvary.

Believe On Jesus Christ

For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. For God did not send His Son into the world to condemn the world, but that the world through Him might be saved. – John 3:16-17 NKJV

So, they said, Believe on the Lord Jesus Christ, and you will be saved, you and your household. – Acts 16:31

And this is His commandment: that we should believe on the Name of His Son Jesus Christ and love one another, as He gave us commandment. – 1 John 3:23 NKJV

The Apostle Paul defined the message of the Gospel, which means Good News as the following, 'For I delivered to you first of all that which I also received: that Christ died for our sins according to the Scriptures, and that He was buried, and that He rose again the 3rd day according to the Scriptures.' – 1 Corinthians. Why only Jesus? Jesus Christ is presented by YHVH, the Creator as a perfect, sinless 'Lamb of God'.

But contrary to forced animal sacrifices, Jesus stated that He came willingly and gladly because of the Love toward GOD the Father and toward the lost souls of you, of Humanity. Jesus laid down His life and took the penalty meant for every human on Earth. He literally took the judgment upon Himself on the Cross in one's place as Isaiah 53:6 teaches. Jesus paid the debt no human can ever come close to paying and redeemed one's soul.

YHVH, through the work of Jesus made the Salvation of one's soul, spirit and body easy for Humanity but it cost the Son of GOD everything. Jesus made believing in Him not just based on aimless and empty faith or meaningless religious works, but He came with power to perform the 'Signs and Wonders' to authenticate His message and purpose. Jesus raised the dead, He gave sight to the blind, He made the lame to walk, etc. It had to be by blood of a pure human without ever having sinned to pay for sin. This is something no one else but Jesus could have done. Thus, one can completely entrust one's soul, spirit and body to Jesus Christ—believing on Him and His finished work on the Cross as that is how YHVH required the 'payment' for sin.

Call upon the Name of Jesus

...that if you confess with your mouth the LORD Jesus and believe in your heart that GOD has raised Him from the dead, you will be saved. For with the heart one believes unto righteousness, and with the mouth confession is made unto Salvation. – Romans 10:9-10

For I am not ashamed of the Gospel of Christ, for it is the power of GOD to Salvation for everyone who believes, for the Jew first and also for the Greek [non-Jews]. – Romans 1:16

If one then recognizes that Jesus is the only way to obtain Salvation of one's soul, spirit and body eventually, one has to act upon this understanding. One must agree and apply this truth to one's life. How? One has to call upon the Name of Jesus and declare this truth. GOD is a respecter of Humanity's Free Will. He will not force People to be 'saved'.

YHVH did His part by sending His one and only SON to die in one's place on the Cross of Calvary. Jesus now offers every person on Earth not only the forgiveness of sin as a free gift — Salvation, but Eternal Life and a place with Him in Heaven.

However, this 'gift' must be received as one would expect that to a person. How is this done? One must confess that one is a sinner, no matter how good or bad of a sinner.

One must then believe that Jesus died, was buried but was resurrected from the Dead as the Bible teaches and there were 1st account witnesses to this event. Then, one must confess with one's mouth -if physically able to as GOD requires an outward, public action. Why?

Jesus died publicly, naked on the shameful and painful wooden cross for the sinner. The least one can do is to not hide this free gift of Salvation as a secret and live with a fearful type of 'Faith' in Jesus.

Not sure how to receive this Salvation?

The gift of Salvation is operated by way of a prayer. If one is not familiar with prayer, it is simply 'talking to GOD' openly and honestly. In ones' own words, confess or state that you admit you are a 'sinner', are repenting and want forgiveness. GOD already knows that one is a sinner but wants one to agree.

Then, ask for GOD's gift of Salvation by declaring that you believe in Jesus' finished work on the Cross of Calvary, in that Jesus shed His blood for one's sin. And that Jesus rose from the grave on the 3rd day. Confess or accept that Jesus as the only Savior and Lord of one's life. If one is unsure of what and/or how to pray, one can pray something like the following 'template'.

Father in Heaven,

I know that I've sinned against You. I realize that the penalty for sin is Eternal Death, being separated from your love and life. I believe that Jesus, shed His own sinless blood on the Cross so that I could receive His righteousness by Faith in what He finished and paid for. I confess that I am a sinner and ask for Your forgiveness. I believe that Jesus died and rose again so that I can be forgiven and live forever with Him.

Here and now, I surrender my life, my soul, spirit and body to you to be used for your purpose and glory from now on. Thank you for sending Your SON, Jesus, to die in my place. I ask and pray all this in Jesus' Name, Amen.

If you have done this, genuinely and from a repentant and sincere heart, then welcome to the Family of YHVH! The Bible teaches that a Follower of Jesus is saved by grace through faith'... YHVH, GOD sees one's heart and He cannot be fooled. One is not 'saved' by simply saying some special words in a formal prayer. One is saved when one says and lives the Prayer of Salvation that was just a means of verbalizing what GOD has done through Jesus but applied to one's life.

However, the Bible does teach that this Saving Faith produces 'Fruit'. One way one will be able to tell if 'one is saved' is that one will be forever changed from that point forward. The Bible teaches that GOD the Holy Spirit will come in 'dwell' or live in one's Spirit to help live a holy life in obedience to the Will of GOD until death comes or the Rapture occurs.

Likewise, I say to you, there is joy in the presence of the Angels of GOD over one sinner who repents. – Luke 15:10

I prayed to receive Jesus Christ! Is that it?

Becoming a Follower of Jesus means that one's life will be forever changed as a new Journey of Faith begins in Him. Begin by reading the New Testament and then the Olde Testament to get a perspective of how YHVH dealt with People and see examples of good and bad examples of 'Faith'. Then meet with other Followers of Jesus to encourage and grow to then be baptized if possible. Realize that as the gift of Salvation has paid for one's spirit, soul and body, presently the body is not redeemed so one in this present evil world will still be subject to the temptation to sin.

However, GOD has not left us alone on Earth. Jesus sent GOD the Holy Spirit to help us be convicted of sin and have power over it. One day, the Bible states that Jesus is to return to Earth to 'make all things right'. In the meanwhile, the journey of one's Journey of Faith has begun. Like a newborn, it must be feed, cared for and grow in stature, knowledge and understanding. This is the 'Walk of Faith' as YHVH desires one to reach 'maturity'. So, what is one's purpose and role in being used by Jesus until He returns?

... 'to equip the Saints for works of ministry, to build up the Body of Christ, until we all reach Unity in the Faith and in the knowledge of the Son of GOD, as we mature to the full measure of the stature of Christ.' – Ephesians 4: 12-13
