November 2014 President's Message

Well fellow anglers, 2014 is swiftly coming to a close. It has been one of the most successful fishing seasons in memory. I hope you got out on the water be it fresh or saltwater and caught your personal best, photographed it and sent us a story.

The nominations for officers was held in November and the board will look the same with the exception of losing Ms. Chang as Treasurer. The office of Secretary/Treasurer has been consolidated until such time as more volunteers step up and we can expand the board.

The Awards Banquet planning continues, so if you plan to attend, please get your reservations in to Denise ASAP. Remember early renewal of dues for 2015 is a prize category at the Awards Banquet.

The November meeting also marks the deadline for submissions for the Angler of the Year and Freshwater trophy awards. Any submissions after the November meeting will got towards 2015 awards. All entries must have been submitted within three months of the catch and as of this writing there are only 2 pictures in the Odd or Crazy photo contest and sad to say I am one of the submissions. The numbers will be tallied after the meeting and the Angler of the Year and Freshwater Angler will be announced at the Awards Banquet.

I will also announce the choice of Sportsman of the Year. He/she is a person who displayed sportsmanship this past year and helped promote our sport.

I hope everyone is enjoying the club, its activities and events. Although we had a meeting last month and opened the floor to changes in the by-laws, changes to make the club better are always welcome. I, any board member or even you can suggest ways to make the club more responsive.

Mr. Don Udlock and I will handle the Friends of Rollo raffle. So all you die hard anglers set aside \$5 to \$10 dollars for the Friends of Rollo Raffle so we can take a deserving student fishing next year. If you have any old tackle you are not using, please consider donating to one of the many kids programs many of the club members work for and support.

In closing I want to thank all the members for being members and the board for putting in that extra time and effort to make sure we all had a great time fishing this past year. Hearty thanks go out to Ernie the charter master, Dick for finding speakers, Mike for freshwater events, Warren for keeping up with the whopper board, Sam for keeping the Newsletter and Website going, Pierre and Denise for keeping our membership and records straight and Don and Rachael for conducting the monthly raffle. Remember, starting in 2015 there will be a losers bucket. Print your name and phone number on the back of your losing raffle tickets. At the 2015 Awards Banquet, a number will be chosen and you will win a wonderful prize.

It has been a pleasure being your president, hope you voted in the mid term elections and see you on the water soon.

Thank You
Your President

Fresh Water Event Update

Here's the fresh /surf water schedule for the year

Trip	Date	Location
10	11/15	Parris Lake

These are the tentative dates but weather or lack of participation dictates the outcome,

Well it's just about the end of our 2014 season and time to get ready towards the Dec. dinner party. We had some good freshwater/surf fishing gatherings, and I thank everyone who took the time to go wet a line and test their skills. I don't or haven't figured out who should receive the freshwater award. Everyone deserves the trophy. Maybe I'll put all the names in a hat and pull out a lucky winner. BUT I'd like to squeeze one more surf fishing trip on Sat. Nov.15th to get those valuable points that might be the deciding factor. Here's a twist on this, we could make it two day event for those who can't make it Saturday but could on Sunday. The tides don't look great, but the fish still have to eat, right! I will be at the usual Bolsa Chica spot both days for a couple of hours, weather permitting. 6:30 / 7:00 STARTING TIMES. Does this sound good to you guys and dolls?

ALERT- ALERT I might bring a top notch surf fishing out-fit to the meeting as a preview to one of the raffle prizes to be given away at the banquet. This could be a first in the clubs' history. I've been looking for the last two months trying to put this complete rod, reel, braided line package together.

See you at the meeting

SECRETARIES REPORT

DINNER MEETINGS

We are still able to meet at Mimi's Restaurant in Monrovia. It becomes more and more difficult to find meeting space as time goes on. We have strived to make this relationship work.

In order to maintain a good working relationship with Mimi's each member needs to continue to purchase food at our Dinner meetings. Yes, these are dinner meetings. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance.

If you are unable to purchase dinner please consider dessert and a beverage at least if you eat dinner at home. Also please remember that your check no longer includes the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

Thousands of dollars in prizes at the Nov 8th No Motor surf fishing and Kayak Contest

The Sportfishing Conservancy is proud to put on the 4th Annual No Motor Contest to be held on Saturday, November 8 from 6am-1pm in Carpinteria. The prizes this year are astounding once again with brand new Cousins Fishing Rods to be raffled off and thousands of dollars in additional prizes.

"It is worth the drive," said Eddie Leland from Huntington Beach. "Fishing in the surf has been great, there is a high tide (when fishing is best) just after 9am and there are a lot of great prizes; I'm in."

The Sportfishing Conservancy is great at combining fishing, the Great Outdoors and doing something positive all at the same time as the proceeds from this great event will go towards the Carpinteria Salt Marsh Restoration. "This is what we like to see," said Sportfishing Conservancy President Tom Raftican. "Families coming together to enjoy fishing and helping our precious environment at the same time."

The No Motor Contest is a bilingual affair. Phil "EL GRINGO" Friedman and Joaquin Espinoza from the Spanish language outdoors radio show will be on hand to do a live broadcast from 6-7am on AM 690 radio. Phil, Joaquin and many others will be there to help and speak Espanol.

Your \$20 entry fee gets you into the No Motor Contest, a delicious tri-tip lunch at Danny's Deli, a t-shirt and 5 raffle tickets to make you eligible for thousands of dollars in prizes.

7 Day Fishing Trip On the American Angler By Jim Clough

Sunday morning early Jerry Watkins picked me up and we headed for San Diego. Got down there. Had to wait for parking. Un loaded stuff. Jerry gets his foot run over and leg bruised by a guy who wanted the spot. He didn't get it. Signed in. Had breakfast. Boarded boat. Stored our gear and headed out. First stop a place north of Cedros. Anchored

boat. Yellowtail started coming aboard. Lot of yellowtail. Then headed to Cedros to overnight. Next morning not much fish there. Went offshore more yellowtail. Then we headed to Alijos Rocks. Next morning started trolling for wahoo. Wahoo catching went wfo. By noon everybody had caught wahoo. It was my first one.then we headed to the ridge. Next morning the yellowfin were biting along with skipjack. Loaded up and headed northwest. 2 overnights and a day. We were 150 miles southwest of San Diego. Fishing kelp paddies we limited on dorado. Then we headed home. Everybody had full sacks and full stomachs. Already signed up for next year. Jim
