

CARRER OPERTUNITY WITH THE VILLAGE OF BRIDGEPORT

The world of Water and Wastewater Treatment, Distribution, and Collection has become one of the most important jobs in our society. Everyone needs safe drinking water and effective collection and treatment of wastewater. That level of work takes the skills and knowledge of licensed operators which are in short supply.

If you are currently a licensed operator, or would like to be, then the Village of Bridgeport would like to talk to you!

The Village of Bridgeport currently operates and maintains a Class 2 water treatment plant, with the capacity to produce 1.5 million gallons a day. We currently serve over 2400 customers and provide water to Belmont County Sanitary District 1B. The Village also maintains a collection system that serves 900 connections, 2 Lift Stations and 9 individual Grinder Pump Systems.

The Village of Bridgeport is looking for employees who are willing to learn quickly while on the job. Once experienced, employees are expected to work independently with standard working hours. Use lab equipment, perform routine daily testing, monitor pumps, and plant equipment as well as collection, distribution equipment. Also perform non-routine maintenance on equipment and distribution lines and sewer mains. Equipment operating experience is a plus. If you have the desire to become involved in a fast-growing field, with job security, YOU are encouraged to apply.

Full time Benefits include:

- Comprehensive paid leave-holiday, personal and sick
- Vacation after one year
- Major medical insurance is offered
- Retirement funded through Ohio Public Employees Retirement System
- Day Shift with Overtime as necessary
- Working in a Drug Free Work Place
- Wages will be based on skill and experience

If you are ready to begin a job that takes you to one of the most important careers of our time, then we need to talk to YOU!

Please send us an email at bridgeportwater@comcast.net We look forward to here from you.
