Mid-Rider 21"
Mid-Rider 23"**

Artisan Of Canada is pleased to announce the arrival of our newly redesigned Ovation 805

Featuring a blend of strengthened oval shaped core tubing, a soft padded seat, comfortable removable backrest, internal brake cables, push button adjustable handle height, 8" casters, and improved dual locking brakes. This walker has a foldable open attached mesh basket with reflective strips, wheel reflectors and a secure cane holder.

The unique folding cross frame reduces storage space in your home and vehicle, putting the Ovation 805 in a class of its own. When folded, the walker stands on all four wheels and takes up less than 12" of space. Unfolding takes just seconds with a gentle push on both sides of the seat.

The Ovation 805 comes in a variety of colours.

This walker is manufactured to world wide standards.

	Seat Height	Handle Height	
High-Rider Model: 805-S23	23" 58.4 cm	39 3/4" 100.96 cm (max) 35 3/4" 90.8 cm (min)
