APRIL 6TH WORKSHOP SUCCESS!

Our April 6th SSD workshop at Wilkinson was a huge success! Trail Dusters and Rail Dusters are showing up and becoming better and better at their square dance moves. We had 5 squares, with 44 attendees! See picture on page 6.

The caller, Rod Shupp, did a great job reteaching calls that were confusing and even taught a few new calls to give us a head start when they are introduced. People noted how helpful it was to hear moves explained in a different way and realized how important it is to learn to listen to other callers.

A giant Thaaank YOU to Sandra and Robert Sobel who always show up first and leave last to make sure everything is set up and torn down appropriately. We also want to thank Caren Blumfield and Sherwin Silver who, as usual, were willing to pick up all the supplies and bring them to Wilkinson and then return them to Avi for storage.

As usual we had plenty of snacks. Thank you to Robbie and Alan Jacobs for a refreshing veggie platter, Wendy Goldzband for yummy popcorn and cookies, Renee and Peter Maier for even more giant cookies, and Jill and Bob Sanders for

a delicious fruit pie. Farryl and Bill Dickter supplied the fruit and helped with set up and tear down.

With such a successful workshop, people are asking, "When will we do this again?" Time for the board to look at the calendar and see what might be feasible!

What a great way to welcome in the month of June with our Spring Weekend from May 30 - June 1st. Don't forget that May 1st is the deadline for your final payment if you have not made it yet. You will soon be receiving all your information and directions for our fun event. If you haven't sent in your reservations and still want to join us, contact Caren Blumfield (818-216-2990) so she can see if the hotel can accommodate more rooms.

We have some great tours planned but unfortunately some of them have

a limited capacity so we will take names in the order that they come in. So please RSVP **via email only** to Paula Seliga yobclad@sbcglobal.net. Every tour needs your RSVPs so they can book the correct number of docents for us. See flyer on page 10. For more information about the May weekend such as "Things to Do" "Helpful Hints" and "Workshops" see flyers on pages 11- 14.

Friday's tour of the **Water Reclamation Center** is at 1:00 pm. This tour takes an unlimited number of attendees, but they need to know how many guests so they can organize the tours. It is a great way to start off and we will meet for lunch nearby first for anyone who desires. We will finish in time to reach the hotel for 3:00 pm check-in.

Saturday morning, we have two great tours so you will have to make a decision. At 10:00 am we have a docent tour of **Port Hueneme** but they only have shuttle room for 20 people. At 10:30 am we have 2 docents booked to tour the **Ventura Botanical Gardens**. We can carpool from the hotel lobby for both of these. At 1:00 pm, back by popular demand, we have the **Harbor Boat Tour**. It only holds 24 people in the boat and costs \$15 per person. Hurry and RSVP for these events.

We will also have different workshops, games, a hospitality room stacked with food and lots of other surprises that await you.

The weekend will end with our infamous Joke-off and lunch at the Lazy Dog Cafe nearby. New friendships and lasting memories are sure to be made.

"Back to the 50's" Snack-a-thon on May 14, 2025

Last month's Spring Fling snack-a-thon celebrating Easter & Passover was so much fun. There was an abundance of food and great costumes - pictures on pages 7 & 8. Now we have another treat for you.

Get Ready to Rock Around the Clock (I mean Square Dance Around the clock) at Trail Dusters snack-a-thon!

Mark your calendars. May 14 is the date, and we're dialing it back to the fabulous 1950s for this month's snack-a-thon – see flyer on page 9.

Put on your poodle skirts, leather or pink lady jackets, rolled-up jeans, and saddle shoes. It's time to Square Dance in true retro style! Our 50s-themed snack-a-thon promises an evening full of nostalgic fun, delicious treats, and, of course, plenty of rock & roll spirit (oops! I mean Square Dancing spiri).

Whether you're channeling your inner Elvis or just want to have fun, this is your chance to dress the part and join the excitement.

So slick back that hair, throw on your best vintage threads, and come hungry for snacks and good dancing. Let's make this snack-a-thon one to remember. See you there, Daddy-O!

It is with a heavy heart that I announce the loss of one of our dear Trail Duster "family" members. **Ellen Sternfeld**, the beloved wife of Mike Sternfeld, suffered complications following serious surgery and passed away two days later, on April 16. Mike tells us, "Ellen was the love of my life, my best friend, my lover, and the rock of my life. There will be no one who could replace my beautiful Ellen."

Graduates of the Class of 2013, Ellen and Mike both loved square dancing and are so thankful to Art and Judi Hirsh for bringing them into Trail Dusters. Mike stated that being a Trail Duster made their lives so much better. Ellen recently celebrated her 80th birthday, and she and Mike would have celebrated their 25th wedding anniversary at the end of May.

The funeral was held on Easter Sunday just for the family, and Mike will fly to Stamford CT where the family will sit Shiva. If you would like to honor Ellen's memory, donations can be made to the Lupus Foundation at Lupus.org to the Makom Ohr Shalom Synagogue (Makom.org.) or to DressforSuccess.org which supports women across the globe.

Mike, to you and your family, we convey our sincere sympathy on Ellen's passing. You have made many friends over your 13 years in the club, and we're all going to miss her; her warmth, her kindness and her gentleness. May her memory be a blessing.

On the brighter side, the **Goldbergs** are a happy household these days. **Patti and Marshall** have exciting news to share regarding two of their

three sons. First, their youngest son, Ethan, a software engineer, has just become engaged! He and Cortland Jell met on a dating app where they soon found they shared many common interests for family, science, camping, travel and more. Ultimately, Ethan meticulously planned his surprise proposal at a romantic beach setting where family members and friends were hiding out nearby! The wedding plans, not yet determined, will take place next year following Cortland's graduation from medical school. Warmest congratulations and best wishes are extended to the newly betrothed and their families.

Meanwhile, the Goldbergs' second son, Daniel, an attorney who loves tech, advises and specializes in Privacy, Data Security, and AI matters, was recently named "The 2025 California Privacy Lawyer of the Year" by the CA Lawyers' Association. He was recognized for his outstanding contributions to the state's Privacy Law Field. This is the first time this award has been given outside a regulatory agency leader to a lawyer in private practice. A hearty CONGRATULATIONS to Daniel and his family on this huge accomplishment!

Finally, the Goldberg family has a new addition; a 4-legged, 3-month-old puppy, recently acquired by Daniel and his bride of one year! Happy training!

Whether it's "sunshine" or "showers" that have occurred in your family, we'd love to hear about it and share it with the rest of our Trail Duster family. With this being the time of year when graduations take place, I hope you will email me (Rusty_k@verizon.net.) and let me know the details so that your exciting news can be passed along to the rest of our club.

I look forward to hearing from you.

Coordinators Corner

Hope all our Rail Dusters had a nice Passover and/or Easter, whichever you celebrate. Everyone seems to be doing very well with learning the new calls. The review at 6:45 each week is very beneficial to those who need and want a review. Trail Dusters who come early and participate help make the squares possible. Thank you for your help.

You have probably noticed that Paul has started speeding up a little and "stacking calls" We have all had to move quicker, which is a good thing because it is preparing us for the dancing community

I understand that the graduation presentation is coming along fine. Can't wait to see what this creative group has come up with.

We have lost a few Rail Dusters during the last couple months, due to health, work or family issues. They are looking forward to joining us again in September. All the others are doing great! Keep up the good work We are so fortunate to have such a great group of dancers and such a wonderful square dance club.!

Meet your Rail Duster

Every month we will feature some of our new Rail Dusters. Be sure to welcome them into our Square Dancing Community.

This month, let's get to know

Don Greenlee

Don Greenlee was born in Portland, Oregon, but has moved around a lot. He has a sister in Virginia who he visits periodically. Don was married to his wife, Jean, for 33 years, but she passed away in February 2024. He and Jean had moved back to Los Angeles in 1987 to be closer to her family. The two met at the University of California-Riverside (UCR) when Don walked into the Biomedical Sciences office to order a centrifuge rotor.

Don has two step-daughters and one step-son, all of whom have children, and he and Jean have one son who is 42 years old from their marriage.

After receiving his PhD in biochemistry from UCR, Don served two years in postdoctoral research at the University of Washington in Seattle, then moved to Ohio University in Athens, OH for a faculty position in the Biomedical Sciences Dept.

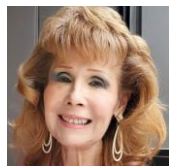

He and Jean eventually moved back to Southern CA to be closer to family, and Don worked at USC for a short time before starting his own environmental consulting business. He has worked in this field for over 30 years and is currently working for the California Department of Toxic Substances Control as a Staff Toxicologist, where he evaluates chemical impacts to industrial/commercial properties prior to their redevelopment or re-occupation.

Don is planning on retiring soon. He enjoys traveling to visit his family in Oregon, Virginia, and New Mexico.

He also likes outdoor activities like skiing, hiking and fishing – “you name it, I’ve done it” is his motto! Now he can add square dancing to his list! We have Mike and Adrian Kreisberg to thank for bringing Don into our club.

Hi Trail Dusters and Rail Dusters,

We hope all of you had a good Easter/Passover break. Now that it is over, let's get back to square dance class and to our **pre-class dinners!** We have been on a roll with twenty of you turning out for our post-workshop dinner at The Stand in Northridge on April 6, 2025 and twenty-five showed up for our pre-class dinner at The Stand on April 2nd. Thank you, Trail Dusters and Rail Dusters, for your attendance and support.

Let's keep the momentum going! For May and June 2025, we have lined up the favorite restaurants of the regular attendees. Watch your emails informing you of where we

have scheduled our weekly fundraiser pre-class dinners. We must thank Shirley Brown for sending these emails to our club members weekly. Also see the schedule below.

Before you attend, make plans with a Trail Duster friend or a couple to meet at our pre-class restaurant for dinner. Invite a Rail Duster to join us for dinner. Social scientists say socialization is one of the key elements for a healthy lifestyle. Afterall, Trail Dusters are a very friendly group especially when we are eating, one of our favorite pastimes. What is a better way to meet with friends and newer members (Rail Dusters) than over a nice meal?

Whenever you attend one of our pre-class dinners, always inform the person taking your order that you are a Trail Duster.

The following is the calendar for our May 2025 restaurants:

May	7	Sharkey's
May	14	Baja Fresh
May	21	The Stand
May	28	The Habit

We look forward to seeing you at dinner. Dinner starts at 5:30. If you want extra practice come to class at 6:45 pm. Regular class starts at 7:00 pm

Best regards,

Joel and

Rock Around the Clock

Did You Know??

Rock and roll emerged from the blend of various Black musical genres, including rhythm and blues and gospel, along with country and western and pop

A Disc jockey in Cleveland, Ohio, popularized the term "rock and roll" while playing rhythm and blues music for a mixed audience

Rock and roll featured a backbeat rhythm, prominent electric guitar, and simple chord progressions.

So slick back that hair, throw on your best vintage threads, and come hungry for snacks and good dancing.

Sign Up For Tours

We are excited to be starting our weekend off on Friday afternoon with an informative and fascinating tour of the **Oxnard Wastewater and Treatment Center**. The tour will last about 1.5 hours. We meet at the plant at 1:00 PM. **You must wear closed shoes.** There is a video presentation followed by an easy 1/4 walk (walkers and scooters are ok). Hard hats will be provided and they will take a group photo on a bridge (this is done for all groups). After the tour our hotel is about 25 minutes away and you will take the side streets to get there so it is somewhat scenic.

For those of you who would like to meet for lunch before the tour at 11:45 at a small shopping center that has a Wendy's, Subway and Roasted Chicken food area. It is a few minutes away from the plant at 175 N. Ventura Blvd. After lunch, backtrack a couple minutes to Perkins Road and go .4 miles to the entrance. It is a gated entrance, but they are expecting us and will have docents available.

Be aware that once you exit the freeway you will still have about an 8-mile drive towards the coast to get to the destination. It takes about 45 minutes to get there from Woodland Hills so plan accordingly and check your navigation system.

Saturday

10:00 AM Tour of the Port of Hueneme: 333 Ponomo Street, Port Hueneme. Space is limited to 20 guests. It includes a bus tour of the port and a classroom video presentation. It concerns what comes in and out of the port and from where and how the new tariffs are going to affect the port. Allow 2 hours for the tour. It is about 25 minutes away from our hotel. Meet in the lobby at 9:15 AM so we can car pool as parking is limited.

10:30 AM Tour of the Ventura Botanical Gardens with a docent. It is a 107 acre world class site. Walking is geared for our group. We will meet at the top of the hill and will get directions at the visitor's gate. We have 2 docents available for this tour so RSVP ASAP. It is 15 minutes away, so meet in the lobby at 10 AM to car pool.

1:00 PM Harbor Boat Tour: Doc C-10 1575 Spinnaker Dr

Many of us went last year and really enjoyed this 40-minute comedy tour of the harbor. If you decide to eat lunch afterwards, you can then also take a morning tour. It is 15 minutes away, so meet there or in the lobby of the hotel at 12:30 to carpool. People had trouble finding the correct dock, so remember it is right down the ramp from Brophy's restaurant at the Ventura Harbor Village. Also, there are a number of cute shops to walk around before or after the tour. Space is limited to 24 people. There is a fee of \$350 cash for 24 people in one boat. If we get 24 people, it will be \$15 per person, if less than 24 the cost could go higher. Minimum payment of \$15 due before May 28

We need to have your RSVPs for all of these tours in advance so they can arrange docents for us. **Please RSVP via email to Paula Seliga yobclad@sbcglobal.net As Soon As Possible.** There will also be sign-up sheets at class and you can pay the Boat Tour \$15.00 with cash or a check made out to Caren Blumfield.

Battle of the Bands – May 30- June 1, 2025

There are many places you can visit on your way to the Hotel because our check in doesn't start until 3pm. The following are suggestions of things to do during the day in the area, but you can be as active or restful as you like. The three tours we are offering are sure to be rewarding.

Heritage Square in Oxnard, 715 S. A Street, Oxnard CA (Directions at desk). Please note that Heritage Square is open to the public for tours all day Saturday and Sunday and/or you can take a self-guided tour of the square on your own. Check their website, <https://heritagesquareoxnard.com> and see all the things to do and see.

Studio Channel Islands Art Center: 2222 Ventura Blvd. Camarillo (805) 383-1368. This gallery is dedicated to bringing local and regional fine art to the community. The exhibit features invitational solo shows and group shows as well as themed exhibitions. It is open to the public Saturdays 11:00AM-3:00PM and is free.

Camarillo Premium Outlets: The outlet stores in Camarillo are well known. They are open from 10am-9pm. 740 Ventura Blvd. Camarillo, CA 93010

Main Street Downtown Ventura: 607 East Main Street. Lots of antique stores, thrift stores and shopping. There are also places to have lunch.

Ojai Olive Oil Ranch: 10AM-4PM 1811 Ladera Rd. Ojai, CA 93023. (805) 646-5964 Info@ojaioliveoil.com There is now a charge for guided tours of the olive groves, olive oil mill and tasting room, however they now have a store in downtown Oxnard. Stop on the way down or on the way home.

Carpinteria Harbor Seal Preserve and Rookery: The preserve is home to almost 100 adult seals who give birth through May 31st. Bring binoculars. Nice hiking trail. The easiest thing to do is take the 101 to Ballard Ave. exit. Turn towards the ocean and go into The Bluffs parking lot and follow the footpath that leads down to the bluff, over the railroad tracks then along the bluff top. It is about a half a mile walk.

San Buenaventura Mission: 211 E. Main St. Ventura, CA 9300. Founded on Easter Sunday, March 31, 1782. They welcome visitors from 10:00 AM to 5:00 PM. Known for its beautiful gardens and restored artifacts.

Albinger Archeological Museum 11AM-4PM 113 E Main St. Ventura 9300. Offers displays of local archaeological relics, including items from Chumash Indians and Chinese immigrants. Located next to the San Buenaventura Mission.

Carnegie Art Museum 10 AM-5PM 424 South C Street, Oxnard CA 93030
It is dedicated to showcasing Californian artwork including paintings by famous artists from the regions. Photographer George Hurrell has a prized collection there.

Channel Islands Harbor: There is the **Ventura County Maritime Museum** there if you are interested in this subject. The entry is free and the docents at the front desk are wonderful. There

is a seafood restaurant and BBQ place there if you want to see it and have lunch. From here you can drive 5 minutes to the Ventura Harbor, which has lots of shops and restaurants to browse around. The boat tours leave from the Ventura Harbor.

The McGrath Farm at 505 North Wood Road, Camarillo, (take the Central Avenue off ramp from the 101). (McGrath is just south of the freeway). It is a sustainable farm that grows organic fruits, vegetables and flowers. There is a farmers' market, farm tours, visits with the farm animals and you can pick your own produce. (There is a \$8.00 minimum to pick.) Open 10AM – 4PM on Saturday and 11 AM to 4PM on Sunday

Downtown Oxnard and Ventura: There are a lot of interesting squares and plazas, parks and buildings to see. If you like antiques, boutiques, thrift stores or window shopping, don't miss Main Street in Ventura off of the California Exit North. Our walking tour will take us to the important sites here.

Ventura Harbor: A delightful area of shops and restaurants to walk around and an interesting Ranger film presentation at the end of the harbor with a 22-minute film of the wildlife and plant vegetation from the Channel Islands. Free parking. *We really enjoyed this when we went there at the last Spring Weekend*

Breweries and Wineries

There are so many wineries and breweries in the area that I didn't know which ones to suggest. You can ask the front desk for recommendations or google them.

Here are the 6 best Breweries I found if you want to google them.

Red Tandem Brewery: Casa Agria Specialty Ales, Posidon Brewing Company

- ✳ **Manavino Cellars**, 961 N Rice Ave. Oxnard, CA 93030 tasting from 12-6pm Saturdays
- ✳ **Four Brix Winery and Tasting Room**, 2290 Eastman Ave. Ventura (805) 256-6006
- ✳ **Strey Cellars**, 951 Rice Ave Oxnard (805) 988-1087
- ✳ **Wagon Wheel Brewery**, 2601 Wagon Wheel Rd #15 Oxnard (805) 351-0449
- ✳ **Camarillo Custom Crush Winery**, and DeLiese Cellars Saturdays. 12-5:00PM
- ✳ **The Hertzog Winery** is supposed to be excellent but unfortunately it closes for Shabbat. You can visit it on the way home Sunday.

Another suggestion I have - if you have grandchildren or love animals why not make a date to spend the day with them on Saturday at the **Santa Barbara Zoo**. Say goodbye and then head to the hotel for a fun adult weekend.

So much to do and see and not enough time. Some of you may not even want to run around but may prefer to stay at the hotel and play Mahjong, poker or other table games in the hospitality room. Ask Ron Lynn for extra ukulele lessons or Paula Seliga for more iPhone tips or Michael Karp's presentation Stock Market "Mental Health" Seminar. Or just relax and visit and hang around the pool and lobby.

Busy or Not - We Hope you Have Some Great Experiences !!

Battle of the Bands

May 30- June 1, 2025

Miscellaneous Tips

What do I wear?

This weekend is going to be totally casual. The weather will probably be mild, but check before packing and dress comfortably. You must wear closed shoes for the tour of the Water Plant. Saturday night you may have to wear whatever costume your table has decided upon for your “Battle of the Bands” performance. Otherwise, pants, jeans, and shorts are acceptable. Bring a sweater in case the hotel air conditioning is cool.

Short List of What to Bring:

- * Comfortable walking shoes
- * 1 bottle of wine or two 2L bottles of soda for the Hospitality Nook
- * Sweater
- * Bathing suit (there is a small pool)
- * Special equipment needed for whatever activity you are doing. (paddle tennis, Mahjong cards (if you play), etc.
- * Pairs of Old Socks for the Joke-off
- * White Elephant gift (unwrapped) for the prize table for Bingo. (something you already have that someone else might want).
- * Name badges (Coordinators will bring Rail Duster badges)

Sunday, Joke-Off: We traditionally throw socks at the people telling jokes if we don't like the joke. So, save your old socks (clean), roll them into balls and bring them along. Also, find a joke and bring it to tell. Jeff Cohen, our Joke Master this year, has a prize for everyone who tells a joke. He says it will help you “reach difficult places in your life.””

Be sure to take a photo of the schedule to refer to during the weekend so you don't miss anything. **Sign up for the tours in advance.**

Sign- up sheets for other activities and to car pool will be on the table at the back of the room
