“One of the most important kind of leadership skills:

If you make decisions that everybody likes all the time, then those are the decisions that they would make without you.

So, you are not actually adding any value.”

True Life among Us

1 John 2:18-27

Leadership in Difficult Times

Children, it is the last hour
and just as you heard that
antichrist is coming, even
now many antichrists have
appeared; from this we
know that it is the
last hour.

For false christs and false
prophets will rise and show signs
and wonders to deceive, if possible
even the elect.

Endurance amid Antichrists' Coming

John 15:3-4 :

"You are already clean because of the word I have spoken to you. Remain in me, and I will remain in you. No branch can bear fruit by itself; it must remain in the vine. Neither can you bear fruit unless you remain in me."

Let that therefore abide in you, which ye have heard from the beginning. If that which ye have heard from the beginning shall remain in you, ye also shall continue in the Son, and in the Father. And this is the promise that he hath promised us, even eternal life.

WE CELEBRATE!

- We are not only living longer, but people 65 years of age and older are healthier, wealthier, and more active than previous generations of older adults.
- The chronological age of 65 is no longer the benchmark signaling the onset of late life.
- As a result of medical advances, scientific discovery, better health care, nutrition, and job safety, more people are living into older adulthood.
- The experiences of older people bring wisdom and insight to our congregation.
- There are opportunities for all generations within our church to worship, study and learn, work, and play together.
- Mature years bring a special opportunity to redefine our goals.
