

Rodney Allen & Associates Safety Consulting Firm

Capability Statement

www.swflos hat r a in g . com

Rodney Allen & Associates LLC has been educating and training in the fields of Safety, OSHA, and Disaster Response since 2010. Our goal is to provide informative consultative services on the subject of safety, which will help you increase worker safety and health, which will lead to an increased profit margin. The owner and primary educator holds a Masters degree, and was a previous OSHA compliance officer. This leads to highly informative and compliant training and education classes. "By creating an engaging atmosphere during my training and consultation seminars, you can rest assured that your employees will come out feeling empowered, more aware, and more knowledgeable of safety concerns in their work areas" – Rodney Allen
