Ps 68:11 The Lord gave the word: great *was* the company of those that published *it*.

The King James Bible is a reformation Bible. It was during that time period when it was printed and the dedicatory note gives light on that.

The following is pulled from context but sufficient to stand on its own.

“...by writing in defence of the Truth, (which hath given such a blow unto that **Man of Sin**, as will not be healed,) “ *reference to the Pope*

And now at last, by the mercy of God, and the continuance of our labours, it being brought unto such a conclusion, as that we have great hopes that the Church of England shall reap good fruit thereby; we hold it our duty to offer it to Your Majesty, not only as to our King and Sovereign, but as to the principal Mover and Author of the work: humbly craving of Your most Sacred Majesty, that since things of this quality have ever been subject to the censures of ill-meaning and discontented persons, it may receive approbation and patronage from so learned and judicious a Prince as Your Highness is, whose allowance and acceptance of our labours shall more honour and encourage us, than all the calumniations and hard interpretations of other men shall dismay us. So that if, on the one side, we shall be **traduced by Popish Persons** at home or abroad, who therefore will malign us, because we are poor instruments to make God's holy Truth to be yet more and more known unto the people, whom **they desire still to keep in ignorance and darkness**; or if, on the other side, we shall be **maligned by self-conceited Brethren**, who run their own ways, and give liking unto nothing, but what is framed by themselves, and hammered on their anvil; ,,,

Since the devil couldn't keep it from being printed, (“Guy Fawkes – Gunpowder Plot” of Nov. 5, 1605 - blow up Parliament) he would try to get people to slander the translators. The devil has been trying to thwart God's working since the garden of Eden and with Cain, the fallen angels, Ishmael, Pharaoh, Athaliah, Herod, Roman Catholicism, Islam, heresies, and translations of the Bible. Yet there is a remnant of believers that haven't denied His name and kept His word.

“The most influential version of the most influential book in the world, in what is now its most influential language” – 400 Years of the King James Bible, The Times Literary Supplement 9 February 2011

The King James Bible has contributed 257 phrases to the English language, more than any other single source, including the works of **Shakespeare**. Expressions such as “*a fly in the ointment*”, “*thorn in the side*” and “*Do we see eye to eye*”, which are still commonly used today all originated in the Bible.
