

# 2020 BARN DOOR OPEN GOLF OUTING

*A fundraiser for Ag in the Classroom in Vermilion County*

## Thursday, August 27

## Turtle Run Golf Club – Danville

Plans are in the works for the 16th annual Barn Door Open golf outing. Public health guidelines regarding COVID-19 keep evolving, so we feel moving the date back to August will give us a better opportunity to host the best outing possible. Plans regarding a shot-gun start versus tee-times – along with lunch – will be announced as we get closer to the date. Refunds will be available if a change in details causes you to be unable to participate.

Vermilion County Farm Bureau Foundation uses the proceeds from the Barn Door Open to fund the Ag in the Classroom program – which reaches over 67% of Vermilion County students and their teachers with free educational materials.

**We appreciate your support and look forward to having you join us again this year!**

**Past outings have been full, so don't delay – Reserve Your Spot Today!**
