Residential Building Permit Application

Permit Fee Schedule:

New homes are calculated at the rate of 0.20 per square foot with a minimum fee of \$200.00. This permit fee will include the cost of the plumbing, mechanical, and electrical permits.

Remodeled homes and used manufactured homes are calculated at the rate of 0.10 per square foot with a minimum fee of \$100.00. This permit fee will include the cost of the plumbing, mechanical, and electrical permits.

Garages and large outbuildings are \$50.00. Any plumbing, mechanical, and electrical permits that may be needed are **NOT** included with the garage and outbuilding fee. There is an extra fee of \$10.00 each for plumbing, mechanical, and electrical permits.

Porches, swimming pools, and similar structures are \$25.00. Any plumbing, mechanical, and electrical permits that may be needed are **NOT** included with this permit fee. There is an extra fee of \$10.00 each for plumbing, mechanical, and electrical permits.

Sidewalks and driveways require a permit but there is no charge for the permit.

FOR ALL PERMITS ISSUED, an inspection is required for each phase of construction, alteration, or repair. Each inspection shall be completed before the next phase begins. 24-hour notice is required for inspections. Every attempt will be made by the City to make inspections within 24 hours of a notice to inspect on regular working days. After hours or weekend inspections will be charged a fee of \$50.00

Inspections* Shall Be Made At The Following Times.

1. Footing inspection** (Only approved material shall support steel)
2. Foundation inspection**
3. Flat work inspection** (Only approved material shall support steel)
4. Framing will be inspected before interior walls & ceilings are covered.
5. Utility inspections:
 - A. Electric: Inspected before any wiring is covered.
 - B. Water lines: Tested & inspected before being covered.
 - C. Gas lines: Tested & inspected before being covered.
 - D. Sewer lines: Tested & inspected before being covered.
 - E. Mechanical: Inspected before being covered.
6. In addition to the listed inspections, the inspector may make random inspections.
7. Final inspection. A Certificate of Occupancy will be issued when structure is approved.

NOTE: 1. A City of Garnett official shall make all inspections unless other provisions for inspection are approved, in advance, by City Staff. 2. Utility tap fees are not included in the permit fee. 3. A site/floor plan is required with all building permits.

I have read, understand, & agree to comply with the aforementioned inspection requirements.
