ARTHUR'S BEAUTY COLLEGE Policy and Procedures for the CARES Act

4/20/2020

As a result of the recent pandemic, the US government has made emergency funds available to students. Arthur's Beauty College will administer those funds to students that have filled out the COVID-19 Survey and Questionnaire form and are eligible.

It is the intent of the Arthur's Beauty College to allow each student to answer the question of a changing family financial situation due to coronavirus which will make that student eligible to receive funds.

Once all surveys are returned, we will calculate how many students indicate need and divide that number by the total amount of funds that are to be distributed to students.

This emergency student funding is only available to students that are enrolled and attending classes as of 4-15-2020. Students on an Approved Leave of Absence are also allowed to participate in the survey and receive funds.

Arthur's Beauty College feels this is the best way to distribute these funds and the most effective way to make sure that those that need the help get it. We will not discriminate in the disbursement of funds.

We will ask all students for a current email and mailing address.

The Department of Education was awarded an emergency grant to assist students who were attending schools of higher education during the COVID-19 emergency school closing and lockdown social distancing requirements in March 2020.

The CARES ACT HIGHER ED Grant will be awarded to each approved higher education school. The school has to determine based on guidelines for the terms in which the school will disburse the emergency funds to students.

When the school issues checks to students, they must sign that they will use the funds for one or more of the expenses listed on the CARES ACT Certification and Agreement document, for "food, housing, course materials, technology, health care, and child-care expenses." We will also give students the opportunity to forego the payment if they have not been financially affected and wish to donate their portion back to the school fund so we can reallocate funds to other Arthur's Beauty College students who may have a financial hardship.

The school will allocate CARES ACT Emergency Relief funds to students equally, based on the total number of enrolled students who were attending classes on April 15, 2020 and who wish to participate in the grant funding opportunity. We will divide the number of attending students into the emergency fund grant amount and allocate funds equally to each student. This is grant money and will not have to be repaid.

The school was advised the government will begin releasing funds and accepting applications as of the opening fund date of April 15, 2020. The school applied for the funding on opening day April 15, 2020. We hope to receive funds within the next few weeks. To assist the school in processing the checks please complete and return the application form below on page 2 of this document.
