Gabriella & Silvia graduated from Health Careers High School this year and are currently working on medical school applications and exams. We are hoping to secure new donors in 2020 to be able to send them to medical school.

We would like to thank our generous Scholarship Program supporters:

Christadelphian Meal-A-Day Foundation

The Devine Foundation

Shared Beat Event Fundraiser Donors

To date our scholarship program has helped 5 nurses, 3 nursing assistants and 1 speech pathologist realize their life changing dreams. With your help, we can award more scholarships each year. We look forward to 2020 and continuing to defeat poverty through education and health.
