### Nanny Pass (Non-member Childcare Provider)

Pool by-laws state:

"A special arrangement to allow a non-member child-care provider or a non-member parent to take a member's children to the pool. If a member employs a non-member Nanny or child-care provider, they may purchase a 'Nanny Pass' for the season. This entitles the Nanny or child-care provider to take the member's children to the pool. The Nanny or child-care provider must be accompanied by the member's children. The Nanny Pass is not intended to give the Nanny or child-care provider full, unaccompanied access to the pool for the season."

The cost for a Nanny Pass is \$30 for the summer. The Nanny will not have access to the pool until this application is processed by the Membership Chairperson, which may take up to 48 hours. You will receive an email when your application has been processed and a keytag has been activated.
