KIWANIS KEY

Weekly Newsletter of the Kiwanis Club of Green Bay – Downtown
KIWANIS MEETING OF September 4th, 2018

This meeting was on Tuesday, the day after Labor Day Monday. Just an informal meeting with no program, but a nice lunch and interesting conversation. Five members were at the meeting: Dal, Joe, Ben, Rick and Bob F. But wait----at 12:40 pm Ann Patteson walked into the room---our sixth member!

We enjoyed a nice meal of meat loaf baked with carrots and potatoes, and French bread. There was an ample amount of food, which allowed all of us to have take home boxes (fortunately, Rick knows how to obtain the boxes). Since this was the first meeting of the month the Black & Tan served delicious small chocolate dessert treats with caramel centers, to recognize the September birthdays of Dal, Doug and Bob F.

The Kiwanis related conversation was mainly about our sponsorship of the Bay Port High School Key Club. That club is currently not meeting and needs a school faculty advisor and a sponsor from our club. Dal will see if the Key Club can be reactivated. The other main conversation topic was Joe telling us that he and his son are going to take a class to learn how to fly a drone. Joe gave us an interesting education about the use of drones and the qualifications to fly one.

Coming programs:

Sept. 10---Anne will be out of town, therefore the program is uncertain.
Sept.17---Rob Gilson and Jenny Lowe from Imperial Supplies company.
Sept. 24---Wyatt and Carolyn Keuther will present an update of The

Production Farm.

October 1---Installation of our club officers for the two year term starting on this date.
