Dear families,

Welcome to Discovery I. My name is Anna Gilmore and I will be your child's Discovery I teacher. I'm excited for our class this year. Each month you will find our lesson plan and class newsletter on our website www.mdoracine.com. Please check these out for all important information pertaining to our class.

A few reminders:

1. Please provide a spare outfit for your child in case of accidents or messes. You can label it and leave it in your child's backpack. Make sure to provide extra socks too.
2. If your child wears diapers you may leave a sleeve of diapers here at school and we will notify you when we are low.
3. All children should have a refillable water bottle. We have fresh water available to refill the bottles throughout the day.
4. Please make sure all of your child's belongings are marked with their name. (Sleeping Bags, lunchbox, water bottles, etc.)
5. Please make sure you send your child's sleeping bag at the beginning of each week. We will send them home to be laundered at the end of their week.
6. Please remember that it is cooler by the lake so you might want to send an extra jacket for when we go outside.
7. Please provide a 2 part snack to feed 16 children at the beginning of each month. The 2 part snack should consist of a perishable item like fresh fruit, cheese, yogurt, beef sticks, or veggies. The second part can be non perishable item like cheese crackers, goldfish, granola bars, We will be serving water with our snack

I am looking forward to this year. If at any time you have any questions or concerns, please feel free to contact me.
