The Jolly Boys of Williamsville and Amherst High School welcome you to our 16th annual Basketball Tournament. We strive to present a quality event that is fun for the whole family. We hope you enjoy the games and welcome your feedback on how we can improve the tournament.

Through the years, our tournament has had many memorable games. We have met wonderful student athletes and have enjoyed watching these young men as they move on in their careers. We hope that the athletes enjoy participating as much as their friends, family, and fans enjoy watching the competition. Every year we have exciting, entertaining, and competitive basketball games and our expectations are the same for this year.

### **To the Athletes:**

We all appreciate your athletic ability and sportsmanship. Along with your coaches, you are the main attraction of this event. Please know that we are here to watch and enjoy, and at the end of the day, win or lose, you still have friends and family here for support. Also, know that while you compete, the younger fans in attendance are looking up to you. The impact of how you react in good times and bad is on display to all.

### **To our fans and sponsors:**

Thanks for your support of this year's tournament. Please support the companies who have advertised in this program. These businesses, like the Jolly Boys, understand the importance of investing in the youth of our community. You should know that all proceeds raised from this event go into our scholarship program for the youth of our community.

### **About the Jolly Boys:**

The Jolly Boys of Williamsville is a non-profit service organization comprised of active community minded people. The Jolly Boys are committed to serving our community through volunteerism and fundraising. Major activities of the organization are Old Home Days, an annual Golf Outing, a Meat Raffle and our Basketball Tournament. Founded in 1972, the Jolly Boys of Williamsville have always emphasized youth and recreation in their selection of funding opportunities. The Amherst Youth Foundation has been a major recipient, as have youth baseball, football, hockey, and volleyball. Drug prevention programs have also been a priority with Kids Escaping Drugs being a major recipient. The proceeds raised at this tournament fund our annual scholarship program. All graduating seniors who are Amherst residents are eligible to apply for Jolly Boys scholarships.

Please visit our website for more information about the Jolly Boys or to donate.
