

Baldwin Community Use Committee – 10/05/2016

Attendance: Paul Thomas, Bruce Crawford, Deb Boulanger & public attendance

Phase 1 Renovations Update: The Selectman agreed to move forward with the previously approved renovations (ADA accommodations). Proposals have been requested and are due 11/22/2016. It was discussed that once the phase 1 renovations were completed; we could then go back to the State requesting an occupancy permit. Also, at that time, we discussed holding a “special” town meeting to provide information and request approval for the community space renovation’s and rental of space.

Other Business: We discussed the parking issue further. It was agreed that additional parking on the side or the back of the building would be needed. It was agreed that this is not an immediate issue but needed to be discussed once a request for an occupancy permit was requested.
