On the Road to the Cross - The Power of God

*Jews demand miraculous signs and
Greeks look for wisdom,
but we preach Christ crucified:
a stumbling block to Jews and
foolishness to Gentiles,
but to those whom God has called,
both Jews and Greeks,
**Christ the power of God and
the wisdom of God.***

*For the foolishness of God is wiser than
man's wisdom, and the weakness of God is
stronger than man's strength.*
