

Hello from region 6, we haven't had our first meeting yet but it is on March 10, if you didn't get to join us this is what was discussed. Please send any ideas or feedbacks to my email at merrysgarrett@Hotmail.com or better yet come out to a meeting and put in your very important two cents.

We thank Roadside for having us back and appreciate them so much.

All of these subjects will be discussed at our March meeting.

We are working on our calendar with our annual camping weekend, our Christmas party, rides and events we would like to partake in and of course meetings.

We have bike tickets, please see me to pick up your packet, We would just love to sell more than last year and there will be a gift to the person who sells the most.

Field meet tickets are now on sale get them from me or call our abate secretary Eric Eads to get some. May 31 is the last day to get the discount of \$15 a person or \$25 a couple. After that date they will be \$25 a person. You cannot reserve a site for the weekend, it is as always before first come first serve. If you plan on going early please call campground and reserve your site. They are \$33 a night before Friday.

We also need workers so if you would like to volunteer for a few hours that would be awesome. Ticket sales, beverage help, security. There will be a sign up sheet at meetings or let Pam know when you get there. It takes a village to have a wonderful weekend.

Region 6 will hopefully be doing the bike show, voted on at March meeting so I can let Pam know.

Products will only be ordered thru Sally our product gal for the state.

Thanks everyone for all your support.

Merry

LO report:

We are still in the works of getting that meeting with the new Secretary of State (Jocelyn Benson), it is going to take some time, but we have former SOS Ruth Johnson lending a hand. Weeks ago our legislative team had a meeting with the Rep Jason Wentworth (who is on the Insurance Committee reform) which went very well. Rep Wentworth is supporting, working with us and is in the process of getting something together to present to us. More to come.

Lt. Governor Gilchrist has told us that he would be asking more questions, setting up a meeting and is looking forward to talking with us...big plus.

Make calls, call our Reps, senators, secretary of state. They all know us and want to hear from us at their district. Email, call or social media. Here are the list of our reps and senators. Annette Glenn 517-373-1791, Brian Elder 517-373-0158, Roger Hauck 517-373-1789, Jason Wentworth 517-373-8962, Senators: Kevin Daley 517-373-1777, Jim Stamas 517-373-7946 We cannot stress enough to make the calls.

I will be making my framed motorcycle awareness sign if you are interested they are on display at the Roadside Bar The price is \$30.00 Thank you for your report Jeremy

I will be sharing a motorcycle law every month that you won't believe

From Scotio, NY: It is unlawful to ride without your feet on the pegs of your motorcycle.

Just remember this is what we are fighting for: our rights and fair laws to all motorcyclists
