

*Mammoth Fire Alarms
Incorporated*

**BADGER *Extra* Stored Pressure Hand Portable
Purple K Dry Chemical**

For high hazard Class B and C fires

Badger's potassium bicarbonate Purple K dry chemical stored pressure fire extinguishers are designed for use on high hazard types of Class B and C fires.

Purple K is generally superior to other dry chemicals on Class B fires, making these extinguishers ideal for use in industrial and commercial premises where a flammable liquid or gas fire risks exist.

The extinguishers can be mounted on any flat vertical surface with a wall hook or supplied with an optional strap bracket. For special fire hazard protection consider the CR Corrosion Resistant model.
