

Town of Sedalia General Information

Garbage & Recycle Collection

The Town provides garbage collection service and recycle collection service for all Town Residents using Republic Services. Garbage carts are picked up every week on Tuesday's and Recycle carts every other week, also on Tuesday's. Republic is only required to pick up one (1) 96-gallon trash cart and/or one (1) 65-gallon recycle cart on scheduled pick up day. Please have all carts at the roadside curb by 6:30am on each scheduled morning. Please also remember to pull emptied carts back away from the curb. Garbage collections is for normal household garbage and recyclables only. If you have specific request or needs, please contact the Sedalia Town Hall, not the Republic Call Center. The Town has one master account with Republic Services. Representatives at the call center will not able to identify property owners on the master account. This process should help to make things run a little smoother. Thanks for understanding.

Animal Control

Animal Control Protection Services – The Town provides this service for all Town Residents through the Guilford County Department of Animal Control. Please keep in mind that Guilford County has a Leash Law in place where all dogs must be on a leash when off of your property. All dogs must be controlled and/or contained so as to not be allowed to run at large. Also remember that unattended tethering (chaining of dogs) in Guilford County is prohibited. If you have a problem with loose, stray or injured animals, please call GC Animal Control at (336) 641-5990 or the GC Sheriff's Department

Town Hall Grounds Use

The Town Hall grounds are made available for special events such as yard sales and small birthday parties. A completed request form along with a \$50 deposit is required at least five (5) days prior to the event. This form must be signed by a Town Official/Town Clerk. Official meetings of the Town government and its boards have priority over other activities. The deposit will be returned after the event is over, if no damage was done to the property, and no trash was left on the grounds. Inside use of the building is not allowed.

New Town Residents

If you are new to the Sedalia area, please contact the Town Hall Office so our records can be updated and so individuals can receive information such as the Town Meeting Schedule and to be added to the collection route for the garbage & recycle service.

Town Meetings

Town Council Meetings are generally held on the 1st Monday of each month. Planning Board meetings are held on the 3rd Thursday of each month and Agenda meetings are held on the 4th Monday of each month. Exceptions are made if the date falls on or close to a holiday. All meetings are open to the public and Meeting Schedules are available at the Sedalia Town Hall. Participants can now attend meetings remotely via Zoom. Please contact the Town Hall prior to the meeting date to be added to the email list for receiving meeting invitations.

Mail

If you are a Sedalia resident, meaning your home is located within the Sedalia jurisdiction, and you have a mailbox in front of your home or plan to put one up, you will need to be added to the Gibsonville mail route at the Gibsonville Post Office, 221 E. Main St. You will have a Gibsonville mailing address with a zip code of

27249. If you prefer a Sedalia Post Office Box, you may purchase one at the Sedalia Post Office, 6151 Burlington Road. You will have a Sedalia mailing address with a zip code of 27342.

CallingPost Messages

If you are not receiving the monthly automated calls from the town, please contact the Sedalia Town Hall and submit your phone number (home or cell) to be added to the CallingPost list. We use this service to keep our residents updated on meetings and upcoming events. Feel free to provide your email address for town updates as well.

Charlotte Hawkins Brown Museum

Please contact the CHB Museum to stay abreast of the different events and activities taking place throughout the year.

Code Enforcement

The Town of Sedalia contracts code enforcement services, who helps to promote the health, safety, clean appearance, morals and general welfare of our town residents, through regulations of the nuisance ordinance. Noted violations consist of things such as high grass, rubbish in the yard, junk or abandoned vehicles, building with a permit, etc. Property owners are notified if any violations do exist, so noted items can be addressed. Please help us to keep our town a beautiful place to call home.
