March 2013 President's Message

Well members Fred Hall is in full swing. I am working for Dan Hernandez every day at the show but am visiting Friends of Rollo, Phil Friedman, and Turners. I know I will see many club members here this week.

Our move to Mimi's is going well. The restaurant has asked if you wish to eat prior to 6:30pm to please eat in the restaurant. You can always bring your drink(s) to the meeting room.

I am planning a kids ocean trip on Monday August 12, 2013. The price will be approximately \$40.00 to \$50.00 for a 3/4 day trip on the Betty O out of Redondo Beach. The weekend rice is over a thousand dollars more and I am trying to keep the price reasonable and affordable to and make for a nice outing for any kids you may wish to introduce to fishing. I will take reservations personally as this is not a club sponsored trip. So if you want to go and bring a child or just want to come out and help, please let me know.

I missed the Castaic trip, but heard the weather was windy and anglers were being forced off the water. I hope that those brave enough to have gone had a good time.

We have several spots too still available on the Pacific Dawn Trips and I hope you will consider going on a club trip. Reservations for the Tak and Sea Jay (spelling?) will be sold this month. I hope to fill as many spots as we can. Remember, just because a trip fills up you can still sign on the stand by list. Many time someone's plans change and we need to fill a spot at the last minute. If you have the ability to receive texts on your phone, please fill that information out on the reservations form. It is easier to send cancelations out by text as opposed to calling 10 to 20 plus people.

I have sent out and given several of the blue sheets inviting new members. If you need someone, please see me or Denise at the next meeting. I will try to get her to post the flyer online but as you fish during the year, invite new members to attend a meeting or join the club. Membership information is available on line.

Hope to see you out fishing, at Fed Hall or at a meeting soon.

Your President
William L Davis

Fresh Water Event Update

Here's a partial list of fresh water dates for 2013

March 30 Lake Perris
April 27 Lake Piru
May 18 Lake Silverwood
June 15 Lake Castaic

The March freshwater trip is scheduled for Saturday, March 30TH at Lake Perris. This is a great lake for float tubes, so now's the time for everyone that has asked for a tube trip to come out and have some fun. It is also a good lake to shore fish along the dam, so if you don't have a boat buddy or a tube, you can give the shore a try. I know this is the day before Easter Sunday, so if this poses a problem for too many people, come to the meeting and we can discuss alternate dates. The lake opens at 6:00 AM and weigh in will be at 2:00PM in the Sailboat cove parking lot. Remember to follow all lake rules and have a good time. I will have a sign up sheet and weigh slips at the meeting. This will be a good time to try out all your new gear you bought at the Fred Hall Show

Turners Island Tak Trip
July 28, 2012
By
Ernie Branch

Saturday morning as we left the dock,, most of us were thinking that it would pretty much be an all-day Calico Bass trip. But as a great surprise, Captain Steve mentioned that there were White Sea Bass around the area and that we would give it a shot 1st thing in the morning. Sur enough Don Udlock put the first one on board early in the morning to get the ball rolling. After that 4 more came in caught by Bill Sullivan, Chuck Auer, Raffle winner Karl Penson, and Ernie Branch. It was a great trip and the weather was nice. Congratulations to Chuck Auer for catching a 20 pound Halibut and to Bill Sullivan for his 23 pound Yellow Tail. Also Karl Penson boated a barracuda and nice size Cabazon. Our jackpot winners were Bill Sullivan with his 23 pound Yellow Tail and Ernie Branch with a 3 pound 5 ounce Calico Bass. Others who attended the trip were; Ron Coleman, Alex Perez, Fred Burnthal, Mike Maurizio, Glen Bummer, and Jim Clough. Sorry that Dennis Dickson couldn't make it, but on a good note, Bill Sullivan who took his place ended up with the jackpot Yellowtail and a nice White Sea Bass to boot.

Well Dennis, I guess Bill owes you one.
See you all at the next meeting

Thanks
Ernie Branch
