About the Author: Dr. Erica Warren

Dr. Warren has always aspired to empower the spirit of those who struggle with learning. So after finishing a bachelor's degree in fine arts, Dr. Warren tailored a special degree program that combined course-work and research in Educational Psychology, Special Education, School Psychology, and Adult Education.

In 1999, Dr. Warren opened the doors of Learning to Learn in Ossining NY. What started as a private practice to help individual students maximize their learning potential and find joy in the learning process, blossomed into a place where students, parents, teachers and schools can receive educational support, materials, training and advice. Her website, www.learningtolearn.biz offers an ever-growing wealth of information, links, materials and support. Learning to Learn now offers:

- ❖ One to one educational support
- ❖ Teacher training and workshops
- ❖ Educational materials
- ❖ Cognitive therapy
- ❖ School consultations
- ❖ Learning profiles and reports
- ❖ Technology & software advice
- ❖ Student advocacy

In 2005, Dr. Warren unveiled **Good Sensory Learning** and **Dyslexia Materials** where student-inspired, fun, multisensory teaching materials are created and available to the public.
