

A Frightening Incident!

James Lee, 31 years of age is the grandson of Alice Lee who is the Founder and President of the Active Aces Super Senior Tennis Club (AASSTC). James Lee is the middle son of Alice's son James.

Around the first week of March 2023, James Lee was shot 7 times in the back near the Shell gas station located at the intersections where 25th Street Minnesota Avenue and Pennsylvania Avenue SE intersect. James was in the process of leaving the area after stopping for gas. This is the vicinity where he generally stopped after getting off work. Due to his injuries James has had two surgeries and is now in the process of recovering and healing. Thank God no weapon formed against him prospered!! Amen!!

James coached the Jr. Aces a youth program under the AASSTC. His girlfriend and one year old son as well as his family and friends are thankful and grateful that he is still with them and request your continued prayers for a speedy recovery.

James's co-workers have started a [Go Fund Me Page](https://gofund.me/1a819624) to help him and his family during his recovery and healing process. James will be unable to return to work any time soon. Your donations are welcomed and greatly appreciated. You can donate at:
