

OTCO'S 2020 REGIONAL WORKSHOPS

Please check which workshop and date(s) you are attending:

Overview: The Regional Workshops are designed for individuals involved in the operations, maintenance, or management of water or wastewater facilities. These workshops will focus on current issues in the water and wastewater field around the state focusing on operations, maintenance, laboratory, management, water quality, backflow, GIS/GPS and asset management; presented by public & private water supply staff and consultants.

Who Should Attend: managers, superintendents, treatment operators, inspectors, and engineers who are interested in gaining a better understanding of the ever-advancing technology in the water and wastewater treatment process. These workshops can be used to fulfill the requirements for Ohio EPA licensed operator's required contact hours.

*Water Supply / Wastewater Certification: Class A, I, II, III, & IV
WW Collection & Water Distribution Systems Certification Class I,II*
