

sew fun! Sewing School Calendar and Make-up Policy

2018 – 2019

Sewing classes will meet weekly except for the dates listed below. Weekly attendance is very important for the success of each student.

Because we understand that students will need to miss class occasionally, please contact us prior to the start of the scheduled class, if your child is unable to attend class. **Fashion Design students cannot make-up classes until we begin sewing.** We will provide 2 hours (20 make-up spaces) at the end of each semester. To be fair to everyone, make-up classes are:

- a. first come, first serve.
- b. limited. No student can have more than 1 make-up class per semester.
- c. not for no-shows. Please let us know of absences in advance, if you wish to schedule a make-up class.

Our two make-up class dates are listed below. **Parents/Guardians are responsible for contacting priscilla@sewunparties.com to schedule a make-up class.**

Most extracurricular activities in the Fountains have a zero make-up policy for inclement weather. We will provide make-up class/es for one day, during the semester, due to inclement weather. For example, if we had to cancel classes on X day, all classes on X day will receive a make-up class. Please know that we will not cancel class unless it is absolutely necessary. Additionally, although schools may be cancelled, we will have class if possible.

Note: The Charlotte Mecklenburg School Calendar was used to create the Sew Fun! Sewing School Calendar.

Month	No Class	Make-up Class
