U12 Match Reports - Kelly

U12A - the girls controlled the game from the off. They all played some fabulous netball. Special mentions to Rosie Childs and Charlotte Cotchings for excellent shooting and linking up so well in the shooting circle, and to Gemma Argyle for a superb display in defense. She made some great interceptions.

U12B - the girls had a bit of slow start in the first quarter but soon started to gel together and played some lovely flowing netball. It was a superb team performance. Special mentions to Beth Brewer for her great shooting and determination throughout the four quarters and to Darcie Nash for her excellent marking in the circle.

U13 Match Reports - Lisa

We were a few players down due to Surrey trials, but we moved girls around, and played some girls up. Well done to everyone for filling in and being flexible with their positions, and 2 great wins achieved.

U14 and U15/U16 Match Reports - Natalie

Two wins and two losses but the losses were only by 2 goals and were closely fought. Overall a really good day at Dorking. Well done to everyone.

U10s Match Reports (Jane)

So you have to start somewhere ! The results weren't great but the girls' enthusiasm and effort was boundless. We had some tough opposition today but the girls never gave up and I'm sure they enjoyed the experience. This was a first ever fixture for most of our girls today and you could see improvement as the morning went on.

U10A Star Player was Eliza Klein for her effort and her constant smile. U10B Star Player was Kasia Wood for consistent play and for never being phased by height difference! U10C Star Player was Sasha Ensell for her great interceptions.

Thank you to all the parents (and Jessica) who helped with match fees and rotations, and warm ups. As you can see it is a very busy morning, and all your help was very much appreciated. Thank you all for your support and particularly to Millie and Lizzie who came along to watch and support their friends.

Match Report for the U11Mix v U12C/B (Lizzie)

What a great match!! This was a close fought game with some excellent centre court play and some lovely shooting and defending at both ends. After being neck and neck throughout the match, the U12's grabbed a couple of last minute goals to win 8-6. Thank you to all the girls for putting 100% into the match - it is great to see the progress that the girls are making. Thank you also to the parents who risked missing the Bake Off final to cheer their girls on. Well done to everyone!!
