What's New at SRM?

Message from Jamie M. Perkins, Principal

We are busy preparing for our students to resume school on campus next week! The final deep cleaning and sanitation process is in full swing. As a reminder, be sure to send your child back to school with their school supplies, chromebook, lunch & snacks, water bottles, and their face covering. Drop off and pick up procedures will remain the same as they were in the fall. If your child is unwell, please keep him/her home as a safety precaution.

If you are planning to continue with distance learning, please notify your child's teacher this week so he/she may be prepared for that on Monday. We look forward to coming back to school!
