

Welcome to the 2021 Reno Memorial Tournament!

In addition to club prizes there is also pari-mutuel betting available on the 2-Man and 4-Man teams (36 hole totals) as well as the 4-Man Scramble on Sunday. To place a bet, fill out the Betting Form with your name and picks and turn into Ken or Ed (with your cash) before 11:00am on Friday for the 2&4-Man and before 8:30am on Sunday for the Scramble.

New for this year included in the prize fund are Gross & Net Skins on Thursday, Friday & Saturday.

Thursday, Friday and Saturday rounds to be played under the following conditions:

- Play the ball down / Summer rules.
- Play from your designated colored tee markers set by the course.
- Make sure to record your putts **Thu-Fri-Sat** as that is also a prized event.
- All players must hole out (no gimmies) – if you pick up you will be disqualified from the Individual competition and Putts for the round but still eligible for CPs and any team prizes.
- Competition played in accordance with USGA rules & local rules on the scorecards.
- The USGA Local Rule E-5 for Stroke and Distance will be in effect to speed up play:
 - Local Rule E-5
 - “When a player’s ball has not been found or is *known or virtually certain* to be *out of bounds*, the player may proceed as follows rather than proceeding under *stroke and distance*.
 - For **two penalty strokes**, the player may take relief by *dropping* the original ball or another ball in the *relief area*

GOLF’S NEW RULES: STROKE AND DISTANCE

A new Local Rule provides an alternative to stroke-and-distance relief for a ball that is lost outside a penalty area or out of bounds, effective January 1, 2019.

BALL OUT OF BOUNDS

LOST BALL

If the Local Rule is in effect, you can still take stroke-and-distance relief, but you now have the following additional option that comes with a penalty of two strokes:

A DETERMINE SPOT where your ball went out of bounds (left diagram) or is likely to be lost (right diagram).

B FIND NEAREST FAIRWAY EDGE no closer to the hole.

C DROP YOUR BALL IN SHADED AREA as defined on one side by a line from the hole through point A and on the other side by a line from the hole through point B, and not nearer the hole. The relief area is extended on both sides by two club-lengths.

This Local Rule is not intended for higher levels of play, such as professional or elite amateur level competitions.

Our club has a pace-of-play policy that states if your group finishes 30 or more minutes behind the group ahead, each player in your group may be assessed a 2-stroke penalty on the 18th hole at the discretion of the tournament committee.

Santa Clara Golf Club Multi-Tee Competition Rules and Handicap Chart

Our club has a multi-tee policy for our tournaments as our membership has indexes that range from the low single digits to over 30 and having everyone play from the same tees doesn't make sense. We offer a "Forward" set of tees at courses that have 3 sets of tees with official Men's slopes and ratings. In order to be eligible to play the forward tees, players must be 60+ years old **and** have an index of 16.0 or higher.

For this year's Reno Tournament, here's how it works:

Players under 60 years old can play either the designated "Regular" tees or the "Back" tees.

Players 60+ and with an index 16.0 or higher can elect to play any set of tees, "Forward", "Regular" or "Back".

Course handicaps are calculated using the following formula according to USGA rules:

$$\text{Course Handicap} = (\text{Handicap Index} * \text{Tee Slope Rating} / 113) + (\text{Tee Course Rating} - \text{Course Par})$$

*** This is then rounded to the nearest integer, e.g. an 18.48 would round to 18 and 18.51 would round to 19.

Example: Player A is 60 years old and has an index of 16.0 and we're playing Lakeridge

"Back" tees:

$$\text{Course handicap} = (16.0 * 134 / 113) + (71.6 - 71) = 19.57 \text{ (Rounds to 20)}$$

"Regular" tees:

$$\text{Course handicap} = (16.0 * 130 / 113) + (68.3 - 71) = 15.70 \text{ (Rounds to 16)}$$

"Forward" tees:

$$\text{Course handicap} = (16.0 * 124 / 113) + (64.7 - 71) = 11.26 \text{ (Rounds to 11)}$$

Below is a chart with everyone that is playing Reno this year and their calculated handicaps for each tee at the courses we're playing so you can see your options. For each player, if the column is green, they can play that set of tees and their "adjusted" handicap is listed.

If you elect to play from a set of tees other than the tees listed in the pairings below, you must inform the Tournament Scorekeeper(s) when turning in your scorecard so the scoresheet can be updated.
