

Region 6
RC Merry Garrett

Meeting began with the pledge led by me as Rick was off in the UP getting bounty for his family. A moment of silence and prayer for our recently lost loved ones We tabled the treasurer and secretary report till next month. Jeremy let us know that things are still in the works for the insurance revision. Hoping all gets done soon

We followed the short but sweet meeting with our Christmas get together. It was a great time with other regions joining us. Fun was had by all. Food galore, games that we all enjoyed, silent auction so you could do some last-minute Christmas shopping. Thanks to all that came out and shared the holiday with us. Thanks to Sue for auction items, Deb for the great tasting bread that was fought over and to Cody for helping me set everything up and putting up with me. Between all of us we had a great big red bag of fun. Laughter could be heard all around the world well at least around the pool table. Lol!!! Thanks to Roadside and Rob for sharing your lodge with these weary travelers

We awarded our member of the year Randy Adams with a gift that will be a conversation piece for years to come. He was surprised and thankful, but it is us that thank you for all you do

Our dates for 2020 (oh my goodness can you believe that)

Memorial run/horseshoe tourney

July 18

Roadside Inn Pinconning

We are looking at a local campground to camp getting info together for that as soon as members discuss the opportunity

Rick puts together a great ride and of course it's a great day to pay tribute to our troops and lost loved ones.
