

## Fall Harvest & Blessings

 Custom Creations

### Workshop Expansion!

Jack is certainly a man of many talents! We appreciate your patience while orders have been slightly delayed as we juggle a busy end of summer while expanding our operations. "Business as usual" will be back by the end of October –in plenty of time for Christmas & Hanukkah orders!

Completed photos will be on the website soon!

### New Creations

Amidst the construction efforts, Jack has been busy refinishing a few old Steamer trunks, (feature photo to the right), wine holders from center cuts of Cherry, Oak and Black Walnut trees (great hostess gifts!) and, fashioning custom kitchen cabinets lined with cork for recipes and important phone numbers. Busy, busy, busy!!

Flagship creations such as our antler candle holders, birchbark mirrors and custom sized tables are always available and made to your specifications.
