Course: Shackamaxon - White - Rating 66.9 Slope 121 Pa

Weather: Sun Clouds 50

As usual Shackamaxxon took its toll on us especially the par 3s (one of which might as well be a par 4 or 5). Mike wins by 3 over Rick by avoiding the big number on any hole. We all had our troubles on the greens with many subtle breaks near the holes. Nice winter day 50 and the winds died off on the back.
