

PENTECOST 120 RAPTURE TIMING

BASED ON RAMANUJAN-INFINITY MODEL AND THEORY

IF one takes the Theory of Infinity Model based on the Mathematics of Ramanujan, and then invert it on its Horizontal Axis, the result will approximate the Timing of when the Rapture Timing could be corresponding. This is fi the Jewish Calendar is superimposed and Synchronized to the 120 Degree or Day and presuming that the 0 Month or Day is equal to the 12th Month of Adar. Consider that at the Acts 2 Pentecost, which one surmises is the Feast of New Wine, the Core Disciples of 120+ were present win the Holy Spirit came down. One Rapture Theory is that it will occur or could on its Anniversary, which also coincides with the Astronomical Leo New Year. And that is the Time one's Body will reach Infinity or Immortality.
