

# 2022 Winter Show Rehearsal Schedule

## Grade 6-12

- ★ Grades 6-12 rehearsals have been divided into rehearsal groups. Dancers may leave when they have rehearsed their final dance.
- ★ We will do our best to run on time, but dancers may get out early or late depending how rehearsals go. Our goal is to get dancers out of the studio as quickly as possible, while providing a productive rehearsal. If we are running ahead, we will keep going with the next dance and not wait for dancers. Either plan on being there the entire allotted time or be in close touch with another dancer at rehearsal to ensure your student's dance rehearsal is not missed. We will not wait for dancers to arrive. Dancers should bring homework or work on their dances/flexibility during downtime.
- ★ We will do our best to limit the number of students in the studio. Please consider carpooling and leaving extra family members at home if possible. Please bring your patience hat and know the dancers are having the time of their lives rehearsing! Thank you for your enthusiasm and understanding.
- ★ Below is the dance assignment chart. The highlighted ones of matching colors will be the classes that are performing the dance together.
