

COVID-19: IT IS NOT ABOUT IMMUNIZATION THE HOUR OF THEIR DARKNESS

Reflections of the Current Purging and Rapture Timing

by Luis B. Vega

vegapost@hotmail.com

www.PostScripts.org

'Then Jesus said to the Chief Priests, Temple Officers, and Elders who had come for Him, Have you come out with Swords and Clubs as you would against an Outlaw? In Jesus said, 'Every day I was with you in the Temple Courts, and you did not lay a hand on Me. But this Hour belongs to you and to the Power of Darkness.'" Then they seized Jesus, led Him away, and took Him into the House of the High Priest.' -Luke 22:52-54

The purpose of this study is to reflect and comment on the current prognostications and Watch for the Rapture Timing as the year's cycle of Feasts and High Watch Times are coming to a close. The analysis will have as a backdrop the COVID-19 Mandated Injections that is now functioning as a 'Purging' Effect. One is predisposed to a possible Rapture Timing that could very well be pegged with the Sabbath Cycle. This to say that the Prophetic Calendar has just entered the 7th Year of the current Sabbath Cycle; that is from Fall of 2022 to Fall of 2029. Meaning? That the Body of Christ may yet have another year's worth of High Watch Dates to Examine, Observe and Anticipate.

But if Christ stays true to His Pattern of 7's, the 7th Year could very well be the Last Run and no more 'Dress Rehearsals' as that is what the Feasts of YHVH are. How so? Consider that with each literal Feast observed, it is Jesus who has and will fulfill its Pattern or intent, prophetically. One realizes, that the Body of Christ, presently on Earth, at this time and place does not want to hear 'another' possible 'Delay'. But one is just saying, that it is contingent on even if that 7-Year Cycle Theory is right away. Consider for perspective how others are seeing a yet distant Rapture Timing. For example, Tom Horn, is now promoting his new book, *Zeitgeist 2025*. He is postulating that the Tribulation Period will start sometime in 2022 with a Mid-Point in 2025.

His new book is akin to his prior *Apollyon Rising 2012* that back then predicted the Rapture timing and start of the Tribulation Period, etc. It was tied to the Maya Calendar ending that year. But now he is tying the timeline to his Apophis Asteroid Theory that is predicted to hit the Earth on Friday the 13th in April of 2029. This would then make 2025 the 'Mid-Point' of the 7-Year Tabulation Period. This in turn would be how he is attributing this Asteroid, which is named ominously for 'Doom and Gloom', to then make 2029 the end of the Tribulation Period. But one had gone over its size and impact. Some models of the possible impact size and dimensions were calculated. With such a size, it will only amount to a Nuclear Bomb size detonation of a major city. Now, what is seen and described in the book of *Relation* is an event that will be Callosal. It is so Callosal that its impact will destroy 1/3 of a lot of things worldwide.

Tribulation Troubles

Many People believe that this Asteroid Event is observed or will occur sometime in the midst of the 7-Years and not toward the end. Now, he is also linking this 2025 year the work of Ken Johnson in how according to the Essene Calendar, the last 7-Year Cycle converges on the 'Last Jubilee'. And this last 'Sabbath' starts in 2025 (Fall 2025 to Fall 2032). Or this will be Daniel's 70th Week but not from Fall 2022 to Fall 2029 as others have calculated the present Sabbath Cycle Theory. Thus, if the Bride of Christ has to be here on Earth still for 4 more years, blame it on Apophis. But in 4 years, imagine how the present World that is spiraling out of control will look like. But that is the Plan, Order out of Chaos. One hopes this will not be the case, in possibly waiting 4 more years, but in one's own independent calculations, having come-up with a -3 BC Birth and 32 AD Death of Jesus, it would appear that the Essene Calendar corroborates with this count.

So, one does then find that part of the Essene Calendar being agreeable. But not with the possible last Sabbath Cycle to be then from Fall 2025 to Fall 2032. So, to say that if that Essene 32 AD year appears to be validated, then why would their other Day-Count to the Last Sabbath Cycle not be correct either? What makes one ponder this 2025-2032 timeline possibility is that one has seen the year 2025 pop-up in several of one's day-counts in studying various aspects that possibly relates to the Rapture Season. Any evidence for 2032? Yes, if ones uses the Great Pyramid of Giza as a Time-Template or Cosmic Calendar etched in Stone, which one has shared in other studies. Its 3032 numerical measurement and factor would appear to be consistent with the 2025-2032, 7-Year timeline, if one then subtracts the 1000-Year Millennial Kingdom.

3032 AD – 1000 Years = **2032**

2032 – 7 Years (Tribulation Period or Sabbath Cycle) = **2025**

Assuming: **32 AD** Year of Crucifixion of Jesus + 2000 Years = **2032**

But one has not given-up entirely on the Fall 2022 to Fall 2029 Sabbath Cycle Theory just yet. Also, something interesting that 'popped-up' in one's Google Earth Research of Ancient Sacred Sites related to Mars' Pyramid Patterns is the following. In one occasion of a particular Sacred Site on Earth, one was taking measurements. On 1 occasion, a length between 2 points happened to be exactly 2022 Yards. Now, one has seen how Ground Measurement of such Sacred Sites are not 'accidental' but are also pegged to Sacred Gematria, like 33 Nautical Miles, or 666 Miles, etc.

Well, if one converts 2022 Yards to Feet, that is equal to 6.066 Feet. So, it has been mentioned about all the 6-6-6 'Signaling' that is incredibly occurring 'off the charts' with the COVID Crisis and even in Politics. For example, a recent headline stated that '6.66 Billion Doses of the COVID-19 Injections are being delivered', etc. Coincidence? Not likely. Thus, one wonders if the year 2022, is somehow more accurate of having this 6-6-6 Mark of the Beast factor, Prophetically Encoded even or perhaps corresponding in more ways than just mere Mathematics? Thought one would just throw that out there.

2022 Yards = **6.066** Feet or how

666 Yards = **33** Nautical Miles

Plausible Deniability

But one realizes that most, if not all that are Watching and Waiting for Jesus' Rapture Escape and Open Door within the Body of Christ are on the brink as it is. Realize though that with such Prophetic Vigilance, there is the issue of becoming Weary, Tired, Depressed, Anxious, Nervous, Worn-Out, etc. But this is what many were like and have been with all the prior High Watch Times. One can start to list them all here since 2012, 2014-15, 2017, 2018. There were the Blood Moon Tetrads. The Revelation 12 Sign. Jerusalem recognized as Israel's Capital. The Nation-State Law. The Red Heifers. The Altar of Sacrifice being re-dedicated. The Great American Eclipse, Comets, on and on.

Surely, this Last Generation is what many in the Bible would have longed to live in to witness all such Signs in the Heavens Above and in the Earth Below. At no other time have such an abundance of Eschatology or End Times Signs occurred and so many in the World have tuned-in to Biblical Prophecy. A separation has occurred and is though. A 'Purging' even. And for good reason. Realize that things in the World must get worse, before they get better. And from this point forward, the 'Get Better' portion will only happen when Jesus returns to Earth, as promised. In the meanwhile, the Bride of Christ, those Watching and Waiting do know the Enemy's Play Book. It is a Mass Psychosis and Profound Deception, a 'Purging' that is currently taking place.

As of this Article, one was chatting with one's Mother. In the conversation, she mentioned how now, 2 young Girls in her Church just dropped dead. After investigating, they had just taken their COVID-19 'Booster' Shots. And most do not realize that the Boosters all have the same solution as the 1st Injections, no different but just 'more of the same'. And knowing that the Boosters do not give any additional Immunity as it is now documented that a person can still be Infected, Transmit COVID-19 and does not provide lasting Immunity, if at all. But that is the Plan.

Her church is tiny, not more than 40 People at the most. So, this has been a blow to the Congregation. But when one's Mother suggested to the Parents that the Girl's Death were caused by the COVID-19 Booster Shots, resulting in Myocarditis in the Heart? Well, they got mad at her for even suggesting it. They denied it and said, 'They died from a Heart Condition, not from the Shot'. Are you 'Kidding' me? Sorry, bad pun here to use, one just realized it. But it is no laughing matter, as the Luciferians are going after the Children. This is not a 'Vaccine' and it is not about Immunization. Is that not what is depicted and sculptured in all those Baphomet Statues that have popped-up across the USA in particular? Are not a little Boy and Girl there 'admiring' the Satanic Goat God?

This Luciferian Motif speaks of there being no Gender, but a mixing of it or 'confusion' of it. It speaks of a Duality coming together, of a Perverted Transformation and Intersectionality. And is this not what one of the major battles has now been in the USA in particular? The Children? About what types of books are being allowed in the School Libraries that outright promote Pedophilia and Pornography. And what about any Mom or Dad who gets 'passionate' at Local School Board Meeting in protesting such Perversion, Mask Mandates or the Forced COVID Injections? They will all now be suspected 'Domestic Terrorists' according to the Justice Department.

Problem-Reaction-Solution

Thanks to the Biden Administration, such have unleashed the Federal resources and Power of the FBI and Security Agencies even against such objections or questioning. Mom and Dads, welcome to the Club. What Club? Those on the 'No Fly List' rhetorically that are Bible-Believing Christians, Gun Owners. They are Believers of End Time Prophecy. Those who believe in the U.S. Constitution. Such espouse to the Inalienable Rights given by the Creator of having Civil Liberties that cannot be granted nor taken by any Human Government, etc. They are Returning Veteran. White Males are on the List and the List is growing by every orchestrated 'Events'. That is the Plan.

Now for perspective, many People are saying is that in terms of a 'Great Awakening', Souls are being saved as they are coming to Jesus because of the COVIS plandemic. This is true because of how it has been used for the great Purging. It has forced People's hand. But so are many 'purging' Jesus from their lives. Jesus is also 'Purging' this Body. Many have prayed for End Times Revival while others have doubted it would even happen or could. But presently, the 'Playgrounds' of the Elementary Schools, at least in the USA have indeed become the Battlefield for the Souls and Minds and now the Bodies of the most Innocent, those that Baphomet's Feet, the Children.

This is what is happening now as 1000s if not 10s of 1000s of Mothers and Fathers are 'Waking-Up' out of the Mass Psychosis and Deception in how COVID has been used as an excuse. Will it be too late though? Is it too late? Well, if there is nothing better to fight for, is one's Children, at least those that sense what dangers really are lurking beneath the 'Skin', COVID Injection wise. One has written that it is not about 'Show me your Immunity'. No, it is not about that as the Injections do not provide that. It is, 'You better get Injected'. 'No Jab no Job'. 'No School'. Well, one would hope that those that can, would take their Children out of the Public Schools. And why the need for Boosters?

Remember when it was promised that 'Just 14 Days to Flatten the Curve'? Or 'Take the Shot for Grandma!' And that by taking the Shots, all would return to 'Normal'? No, It has been a 'Carrot and Stick' Psyop of 'Problem-Reaction-Solution'. It was further discussed how ingeniously, with each 'needed' Booster Shot, it is delivering the appropriate amount of Nano-Tech Bots to successfully complete the necessary 'Biological Circuitry' needed in the Human Body. Why? One suspects that if the 1st Dose had all the Nano-Tech and other stuff needed to convert the Human Body into a Network Device, most would be dropping-dead on the spot, more than it has been occurring now.

So, the 'Boosters' are to incrementally acclimate the Human Body for such a feat, and that, if those can withstand the Adverse Effects and survive. And it was also talked about how again, ingeniously the Police State is being implemented by Stealth and through another 'Problem-Reaction-Solution' Psyop of what is essentially the 'Great Purge'. Realize that at least in the USA, the COVID-19 Injection rollout was a Live Military Operation, and still is. Realize that dispute cases of COVID-19 tapering-off and that the COVID-19 Virus is now a 2-Year Old and does not exist anymore, all People are still getting Injected for this initial Man-Made Virus. And that the National Emergency declared because of the skewed COVID Cases will never be retracted. Why not?

The Great Purging

What is currently being undertaken, is the Great Purge. Remember the movie of the same name and how the Luciferians that own Hollywood release such Predictive Programming of what is to come. On 1 level, the movie's prediction came to pass in how the burning-down of the American Cities came to fruition due to George Floyd. But, how there is a Purge currently going on that makes one think the USA, in particular is just about in the middle of the Agenda's timeframe. It takes time to have it be in place and the USA, as the current Head of the Nations is taking longer to take down, versus Australia or Canada for example. Realize that their Evil Luciferian Plans come in Stages. It is a 'Press-Relief', 'Press-Relief' type of conditioning and manipulation.

And because most American are still armed, this present 'Purging' of Society is a re-constitution of Behavior, Thought and Beliefs through 'Science'. The Luciferian Powers-That-Be are transitioning and transforming the World in preparation for their coming Reset, and Luciferian 'Golden Age', etc. But this current 'Purge' is of those that will not allow themselves to be Injected with the Experimental COVID-19 'Secret Ingredients'. Again, not an issue of being 'Immunized'. If that were to be the case, there would no problem, no 'Hesitation' nor Objection or Rejection of those People that have acquired Natural Immunity against COVID-19. It is not about Immunization.

Why is it that such People that do have COVID-19 Natural Immunity are still required to get the Injections? Exactly. It is because of what is in the Injections that 'they' want in the Bodies of every possible Human Being on Planet Earth. And as shown by some brave Doctors, COVID-19 Injections are the stuff of the 'Invasion of the Body Snatchers'. But as to the present Purge going on? So, at least half of all the Professional type of Critical and Essential type of People's positions are being eliminated from their jobs for not taking the Shots. Most notably, it is occurring in the Military, with the Police, Fire, Doctors, Nurses, 1st Responders, Truckers, Teachers, etc.

Such People went from being 'Heroes to Zeros' in no time. And what are they going to be starting to replace them with? The Military. And if there are not enough American ones, how about Foreign Replacements or even help from the U.N.? Perfect. As one may know, the new New York Governor, who said 'GOD wants you to get the Injection', at the stroke of a pen fired more than 70,000 Professionals in her State because they did not want to show proof of COVID-19 Immunity? No. It was because such types were not willing to get Injected by a substance that is still under Clinical Trials, that has no Redress, nor of Compensation if a person gets injured or ends-up Dead.

Or, as Biden naively stated concerning the 'Individual Freedoms' of Americans. 'I Have the Freedom to Kill You with My COVID'. Biden Mocked Americans who object to Forced Vaccination. He now is calling for Americans to be fired if they refuse the Injections. And this coming from the Presidential Nominee that publicly stated that he would never be taking any 'Vaccine' Trump would be rolling-out. And that the Government could not be trusted. Then upon being selected for the Presidency, initially had publicly stated that he would not mandate any Forced 'Vaccination'. What happened? Who told him to change his mind? Who are his 'Handlers'?

Their Hour of Darkness

But is not the fact that those presumed 'Vaccinated' are then 'Immunized' and thus 'Protected' from those that are not? So, why worry about those that are not 'Vaccinated' then? That is not the Plan. What happened to 'My Body, My Choice? And what about the listing of possible Adverse Effects, as presented to the FDA, which includes Death? So, the People assume all the Risk, and no help will be afforded if People then get injured? Now the Powers-That-Be are mandating Injections for the Children. And if Mom and Dad object at the School Board Meetings about it, they are 'Domestic Terrorists'?

And as the Nominee for Governor of West Virginia, Democrat Terry McAuliffe stated, how dare Parents interfere with what the State teaches their Children, it is none of their business' and they need to stay out, etc. And this is the man who got a \$100,000 Donation from a Jeffrey Epstein Associate. Problem? This Donor owns a plane called, The 'F**k Jet'. So, truly, the USA is being dismantled, being slowly 'Purged, intentionally and now the battle is now shifted to the Children. Why? It is because the end of the Church Age is at hand and the Luciferian Hour of Darkness has descended upon Humanity. It is about ushering-in their Humanity 2.0 through an Economic Reset. How?

Through Inflation, as the World is subjected with intentional Supply Chain disruptions, dismissal of Workers for not getting the Government Mandated Injections that are not 'Vaccines', and the coming COVID Passports, etc. It is their Hour of Darkness. But it will soon be the Dawn for the Raptured Ones. One is reminded of Jesus' words during His pending arrest at the Garden of Gethsemane and betrayal by the Kiss of Judas. And how such a time of great pressure and 'Government Mandates' to stop Jesus' Ministry came to be for Him, His 'Red Sea Moment'.

'Then Jesus said to the Chief Priests, Temple Officers, and Elders who had come for Him, Have you come out with Swords and Clubs as you would against an Outlaw? In Jesus said, 'Every day I was with you in the Temple Courts, and you did not lay a hand on Me. But this Hour belongs to you and to the Power of Darkness.'" Then they seized Jesus, led Him away, and took Him into the House of the High Priest.' -Luke 22:52-54

It was He that did not fall back, but those Evil Ones that did at the sound of His Voice. This should be the attitude of the Watching and 'Vigilant Virgins' in such a similar time and place, presently on Earth for the Bride of Christ. They have to. Many sense this is the 'Last Hour' as it was for Jesus. As in the USA, perhaps it is its Last Hour too as the Evil Cabal is turning the USA into a 3rd World Banana Republic. This 'Divide' or Purging is happening along its Politics, Economics, Social and Religious 'Divide' that is ever growing far and wide. It is a 'Divide and Conquer' Psyop as Deception reigns supreme.

Those of the Bride of Christ that are faithfully Watching and Waiting with each Sign that will crescendo to the Rapture event one day realize that this is the Hour of their Power of Darkness. And as with Jesus, the Cabal seeks to 'Arrest' or impede those that stand against the 'High Priests' and Rulers of this Present Evil Age. It is now a clear delineation between those that rather seek and trust the true Savior, Jesus or a false Salvation in the COVID-19 Injections mandated by False Saviors. One can go so far as to compare the COVID-19 Injection's as being the 'Golden Cow', or 'Vaccine'.

This 'False Idol' Cow or Vaccine is touted as the 'Salvation' of Humanity by the High Priests of Science, of the Fauci's of the World. They are trying to forcibly 'convert' the World not into their 'Disciples', but Obedient Surfs. They seek, 'To cause both Great and Small, Free or Bond, Rich or Poor to not be able to Buy or Sell'... unless they have this COVID-19 Injection. So, is it about being Immunized? No. It is not about being Immunized but obeying the Government Mandate and taking the COVID-19 Injections. This was another aspect of one's conversation with one's Mother. In that how can one's own Church Family not see the obvious Deception going on?

And this Deception is causing Death amongst their very beloved Children. How can healthy young Girls in the prime of their lives, with no prior Health and/or Heart Conditions, just drop dead from a 'Bad Heart' right after their COVID Booster Shot? One surmised that the World, but sadly many in the Church Body of Jesus Christ are seeing this 'Vaccine' also as the 'Savior'. 'In the Vaccine We Trust'. This is not to dismiss real Science and the Medicines it has provided.

Yet, proven Treatments to avert COVID-19 Hospitalization and Death at an early stage are prohibited as Protocols in Hospitals. This is the result now of having Centralized Health Care. But that has been the Plan. And millions of People are worshipping this 'Golden Cow' or 'Vaccine' more so, like an Idol even, a 'Sacred Cow'. It is to be expected as the majority of Humanity has turned their back on Jesus. And being that Humans are created to worship, Jesus will naturally be replaced with another Savior. So, this is why for such, a Following of the Golden Cow or Vaccine, is the 'Sacred Cow' And that one dare does not say that the Youth are dying from it. That is now 'Blasphemy'.

And now here in California, the Governor has added that the COVID-19 Death Shots are to be part of the required 'Immunization' for Children to go to school. Will it take the death of People's Children to wake them up? Will it take 'Rachel weeping over her Children' as Matthew 2:13-18 foretold because they are no more and are being 'Scientifically Slaughtered' at the hands of the Herod's and Scientific High Priests of this Luciferian World? Is not what the Nuremburg Code sought and seeks to prevent? But when one has to argue, in one's own small Church Family, that the death of Children 'could be' because of the COVID Shots and Boosters, and one gets an adamite denial and anger for it? How great is the Deception.
