

I AM Your Solution!

"And Moses said to the people, "Do not be afraid. Stand still, and see the salvation of the Lord, which He will accomplish for you today. For the Egyptians whom you see today, you shall see again no more forever. The Lord will fight for you, and you shall hold your peace" (Exodus 14:13-14) NKJ.

Here is an absolute truth, that never changes "God keeps His promises and He will fight for you."

His desire is that you sit and be still. Today's message is about trusting God's character when you don't understand what's happening. Do not plan ways to defend yourself. Stop the planning. Stop trying to fix things! Stop searching for solutions.

God says, "I AM your solution!!!! Trust Me. Watch Me defeat your enemy."

He is telling you- He will defend you! He is will take care of this situation. Moses totally understood that God fights for those who trust in Him. Even when the Israelites were under enormous pressure from Pharaoh, God said to Moses: "Do not be afraid... The Egyptians you see today you will never see again. The Lord will fight for you; you need only be still." (Exodus14:13-14). Moses believed Him!

You do not have be afraid of what is happening around you. You do not need to be concerned about the days ahead. Believe Him!!!! You do not need to worry about the condition of your loved ones. If you allow God to take care of this situation for you will never see them again... Believe Him! Hold tight to your faith. You must, hold on to the truth. His truth says, "He will fight for you." Today you must make a choice. Will you take Him at His word or not? He is saying to you, "I will do this for you." He doesn't lie. "The Lord will fight for you, and you shall hold your peace" (Exodus 14:14).

Hold your peace. Hold on to it! It's your choice, and your choice alone. Hold to what you know is true. Hold your place in Him and hold your peace by holding to the truth. The word "hold" is a verb. A verb means action! Holding is an action! Trusting is an action! I love definitions. They reveal truth!

Definition to hold:

- 1- to remain or continue in a specified state, relation, etc.
- 2- to remain fast; adhere; cling
- 3- to keep or maintain a grasp on something.

Can you see this????? You are called today to CLING to your hold on His Word. As you remain your hold, He promises that He will bring forth victory! But you have to MAINTAIN your hold.
