- Clearance of 4 feet on all sides from other carts, buildings, parked cars, trees, mailbox, etc.
- Lids on the cart must be completely closed for the cart to be emptied.
- If stored outside, keep the lid of the cart securely closed to prevent recycling from blowing out of the cart and to keep rain and snow from accumulating inside the cart.
- Do not use rope or bungee straps to keep the lid closed.
- Each household is responsible for clearing snow and ice from around the carts.
- Carts cannot be placed on top of snowbank for collection.
