

This year marks the eleventh annual series of "Music in Saint Mary's" concerts and organ recitals in our beautiful parish church.

Thanks to your support we can continue to present these excellent musical evenings which have become a well-loved feature in the calendar of the church.

The 12th century building is a wonderful setting, both visually and acoustically, and live music is well supported.

We hope St Mary's will always be a welcoming place for both performers and audiences at our concerts.
