

2016 New Farmer Recruitment Program

Overview:

The Kentucky Sheep and Goat Check-Off Program is a fund established by the Kentucky General Assembly for the promotion of the sheep and goat industries within the Commonwealth. Producer dollars fund the program and the Kentucky Sheep and Goat Council is the producer committee that determines how the check-off dollars are spent. The 2016 New Farmer Recruitment Program is a competitive loan program offered by the Kentucky Sheep and Goat Council and designed to help grow Kentucky's sheep and goat industries. The loans are short term (1 to 2 year) loans of up to \$2,000 with 0% interest. Up to six loans (three goat and three sheep) of \$2,000 each will be awarded in 2016 to eligible individuals. Eligible individuals are Kentucky residents at least 18 years of age that have never produced sheep or goats or have been in the sheep or goat production business for less than 5 years. Funds may be used to purchase sheep and/or goats for breeding purposes as well as livestock guardian animals. The loan program is only open to individuals that have completed the Small Ruminant Profit School educational program. Participation in other small ruminant educational programs (local and regional association meetings, University of Kentucky Ewe Profit Schools, Kentucky State University Third Thursday Goat Days, UK Small Ruminant Grazing Conference, etc.) is also strongly encouraged.

How to apply:

Complete the following application and submit a business plan with at least the minimum information set forth in the attached business plan outline. Successful applicants must have a business plan that shows the desire and ability to become a profitable small ruminant producer on a commercial scale (non-hobby). Applications and business plans should be submitted to the following address with a postmark no later than **June 15, 2016**.

Kelley Yates
Executive Director
Kentucky Sheep and Goat Development Office
P.O. Box 4709
Frankfort, KY 40601
