MEMBERSHIP REPORT

Hi CCCC members!

It's always great to keep up with fellow hams on our morning and evening nets. Lately, though, there has been declining participation in check-ins.

We miss hearing from some of you! Just set an alarm on your cell-phone for mornings at 7:10 and Thursday evenings at 7:30. You don't have to talk long, but please stop by and say "hello" so the net controllers are appreciated!

Your support for the CCCC Club will help our members thrive!

Audrey Nieman, KF6MVH
Membership Chairman

Sunshine Committee

We hope this finds all of you well. Let's please remember those in our prayers and thoughts who are not doing as well as previously in life. We love and care for all of you.

Sincerely, ***Burgie KE6MSF***

It is with sadness we report that Ken Miller, TUX, passed away in early May after the newsletter was published. He was a long-time member of the club. Please remember his family in your thoughts and prayers.

PRESIDENT'S CORNER

It's Memorial Day and we are off to Port Townsend. I hope to be home by June 7, in time for our meeting.

Wing, please inform the Denny's manager of our meeting June 10. Paul Mason wants to show me the damage on the antenna tower before he moves to New Mexico. I would like a board meeting to revisit this issue. I would like a key to the site so I can make an inspection trip. I was able to contact Willie, W6HST, on EchoLink so I'm hoping we can make it happen for our repeater. I have also used W6CX for contacts. Do we have a picnic date as yet?

That's it for now. Be safe and keep moving.

73, til next month.

CCCC MAY 9 MINUTES

Editor's Note: May appears to have been "travel month." Not much to report this month. We're glad everyone is back safe and sound. Also, we're cleaning up the email list and newsletter distribution so if you hear of someone not getting or wanting a different delivery of the newsletter, let me know.

The non-meeting was held at Mountain Mike's Pizza for an evening meeting. It was called to order at 6:00 PM by President DJ KJ6DJ. There were introductions made all around, which didn't take long as the "non" meeting was sparsely populated.

TREASURER'S REPORT-

MEMBERSHIP REPORT – See page 1

NET CONTROLS- Due to the sparseness of this month's activities, NET participation was also very low this month.

NEW BUSINESS- See DJ's column for this month.
