# Summer Reading 2025

## Color Our World

Summer Reading has come to a spectacular end. What a great summer it has been at the Library! We had such an amazing turnout this year, with new and old faces. It sure made the time fly by!

We had some great visitors, this year, too:

Mary Gall The Bug Lady brought some creepy crawly critters that were both fascinating and a little scary. The kids did great, though, facing their fears and learning cool facts.

Professor Steve made a phenomenal return this summer. The kids laughed and howled and had the grandest time. He wowed the audience, from the kids to their parents and grandparents. It made for an exciting hour!

Then we had our furry Australian friend return this summer: Bluey! She made the trek all by herself again this year, and the kids were so beside themselves. They wanted to play every game with her, and followed her around like they were her shadow. Bluey had a great time too, and was so excited to see everyone!

Last, but certainly not least, for our final Friday Fun Day, we had Crafty Alpaca from Avella here! The weather ended up being so beautiful for our final day, too! Not too hot and a mostly cloudy sky, and not a drop of rain.

Everyone had the best time learning about the alpaca, petting and feeding him. His name was Beetle, named for the Beetles, and he was so soft and sweet. I think everyone wants one just like him, now!

### **THE NON-FICTION LEGO CHALLENGE ENDS AUGUST 23RD**

Now, we've reached the part where we bid farewell to another summer, and to some friends we've made along the way. We hope everyone had a great time with us, and that we'll still see you throughout the year. Don't be a stranger!

Thank you for making our summer so wonderful. We had the absolute best time with you.

**See you soon!**
