## February 2013 President's Message

Well fellow members, we have closed down another restaurant. Dominico's met an untimely end. For those who did not make the January meeting, we now meet at Mimi's Café 500 W Huntington Drive Monrovia, CA at the corner of Mayflower and Huntington Drive in Monrovia. At this rate we have closed more restaurants than the LA County Board of Health.

Sign-ups for the Dawn trips begin this month. Each member will receive a signup sheet, list of Dawn and Tak trips, Release form and instructions from me within the next few days. I ask you to make out a separate check for each trip to make the line move faster and accounting to be more accurate. That way if a trip is unavailable, you will not have to write a separate check. Sign-ups will be on a first come first served basis. I will have the signup sheet in near the door so please sign it when you come in. It has been suggested we change the way we allocate spaces on charters. As we discuss all changes at the October meeting, we will make a decision at that time. If you have a suggestion on ways to make the club run smoother, gain more membership or just make it more fun, please present your ideas, in writing to a board member.

The year's events are fast approaching. We have already had our first freshwater event. Fred Hall is March 6-10 2013 in Long Beach and March 21-24 in Del Mar. I know many of our club members work the booths for one organization or another. Wil works for United Anglers, Phil Friedman and Dan Hernandez Youth Foundation. I believe he holds the record for the most number of groups. Don Udlock is usually at Friends of Rollo where I have dropped a bundle of money trying to win that boat every year, Dick can be found at Bob Sands, Denise and I will be at Dan Hernandez, Gary Gillingham is at Accurate reels Rich Jenkins has worked for Tim Campbell in the past and he should there so as you venture around the hall say hi to you fellow club members. I know I did not get everyone but we are well represented.

Fish for Food, a charity event to bring food to the local food banks is in March. Denise, Dick, Wil and I are already signed up. There will be flyers at the meeting and hopefully one in the newsletter. It is a very worthwhile charity and they have had awesome prizes in the past custom rods and Avet reels to name a few. It only costs \$30.00 to get a ride on a boat and fish for the day. It is a great way to take someone fishing and do something great for the community. Hope to see many club members out there fishing.

As the year progresses, we will have our annual swap meet in July, so empty out your garage and sell your unused stuff to other club members. If you have equipment you wish to donate. Wil, Don or I could always take it off your hands to help with kid's fishing. See you at the meetings or on the water.

## Fresh Water Event Update

### Here's a partial list of fresh water dates for 2013

February 23    Lake Castaic  
March 30        Lake Perris  
April 27        Lake Piru  
May 18         Lake Silverwood  
June 15         Lake Castaic

Now here's a short fresh water report

For February we have planned a trip to Lake Castaic. It will be on Saturday the 23rd. Maybe some of this good weather will stick around for us. The lake opens at 6:00 AM and weigh in will be at 2:00 PM in the parking lot. Look for my red pick up truck. I will have weigh slips at the meeting and I will leave a few on my truck's windshield on the 23rd. Remember these fresh water trips qualify you for the Whopper Board and it's a chance to post you Whopper catch. As always lake rules apply to limits and fish size if you wish to keep your catch. All Large and Small Mouth Bass should be released quickly. I look forward to seeing you on the 23rd.
