Jenn Blay joined us

informally to talk about the lack of a Librarian at the Graded School, and wondering about coordinating our efforts. The Lowell Library is open to having students visit our library, perhaps on Thursdays, if the school can supplement Nancy's hours/pay. The Library budget cannot support additional hours at this time. Jenn Blay will talk with school administration and Nancy is willing to meet with them to discuss specifics about this potential collaboration. We organized our Raffle into 6 baskets, took pictures of our Raffle items, and finalized our schedule and responsibilities for the Folk Festival. Our Raffle drawing will be on the evening of November 19!
We will offer evening programs for adults on Tuesday, October 10 and Tuesday November 19. Debbie will develop a craft/fun project for each evening at minimal cost for participants!
9. Meeting Adjourned at: 6:47 pm.
10. Next Trustee meeting will be 10/8/24.

Minutes respectfully submitted by Jenn Higgins
